VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The time spent in board meetings represents just a small fraction of the hours school board members spend leading in our school division. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extra-curricular events. Their love for learning, and concern and caring for students, staff and community, drives their desire to lead so students can achieve.

Appomattox County Public Schools takes great pride in recognizing the following members of the Appomattox County School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman
Mr. Gregory A. Smith, Vice-Chairman
Rev. Alfred L. Jones III
Mr. Jason L. Wells
Mr. Wyatt K. Torrence

The VSBA Board of Directors has designated the third week in February (February 17-21, 2020) as VSBA School Board Clerk Appreciation Week, with a goal of building awareness of the pivotal role school board clerks play in working with school board members, superintendents, and our local public schools in Virginia.

Carrington Pritchard, School Board Clerk

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The theme - Building the Future of Public Education - reflects the partnership of the Virginia School Boards Association with local school board members as they serve their local divisions and advocate for pubic education with local, state, and federal leaders on behalf of all students. In Appomattox, school board members must develop policies and make tough decisions on complex educational and social issues impacting the entire community. Their decisions and actions affect the present and future lives of our community's children.

Appomattox County Public Schools takes great pride in recognizing the following members of the School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman
Mr. Wyatt K. Torrence, Vice-Chairman
Mr. Gregory A. Smith
Mr. Roger B. Stough
Mr. Jason L. Wells

VSBA School Board Clerk Appreciation Week - February 13-17, 2023

Kathy Inge - Deputy Clerk

Carrington Pritchard - Clerk

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The theme - Building the Future of Public Education - reflects the partnership of the Virginia School Boards Association with local school board members as they serve their local divisions and advocate for pubic education with local, state, and federal leaders on behalf of all students. In Appomattox, school board members must develop policies and make tough decisions on complex educational and social issues impacting the entire community. Their decisions and actions affect the present and future lives of our community's children.

Appomattox County Public Schools takes great pride in recognizing the following members of the School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman
Mr. Wyatt K. Torrence, Vice-Chairman
Mr. Gregory A. Smith
Mr. Roger B. Stough
Mr. Jason L. Wells

Teachers of the Year:

1. APS – Marin Swienton
2. AMS – Katlin Pearce
3. ACHS – Margaret Voorhees
4. AES – Kimberly Jones - Division Teacher of the Year

Division Teacher of the Year

Appomattox County Public Schools is proud to announce Kimberly Jones as the 2023-2024 Division Teacher of the Year. Mrs. Jones is a teacher at Appomattox Elementary School (AES) where she currently teaches 5th grade Reading/Language Arts.

She earned her post-secondary degrees from James Madison University and Longwood University. Mrs. Jones began her career in education in 1990 starting in Appomattox, leaving Appomattox to work in Lynchburg City Schools, and then returning back to Appomattox. Mrs. Jones is an enthusiastic teacher who loves life, people, and learning. She ensures that her classroom is structured and disciplined, but yet warm, inviting, and a safe place to learn. Mrs. Jones works diligently to provide rigorous lessons that demand students' attention.

For thirty-four years, Mrs. Jones has been the “children’s literature connoisseur”. She believes that good literature is “the bridge” connecting a teacher with students. Mrs. Jones is, without question, a teacher of integrity, admired by her students and colleagues.

Mrs. Jones will be nominated for the Region 8 Teacher of the Year which will be announced in the spring of 2024.

VSBA School Board Clerk Appreciation Week - February 12-16, 2024

Kathy Inge - Deputy Clerk
Carrington Pritchard - Clerk

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The month-long observance is an opportunity for your school division and community to build a stronger understanding of the crucial role school boards assume in a representative democracy. School boards voluntarily tackle the enormous job of governing multi-million-dollar public school divisions, while preserving the core of our democratic values.

Appomattox County Public Schools takes great pride in recognizing the following members of the School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman
Mr. Jason L. Wells, Vice-Chairman
Mr. Gregory A. Smith
Mr. Roger B. Stough
Mr. Wyatt K. Torrence

Businesses large and small, corporate owned or family-run, play a key role in supporting our communities and local schools. They contribute to our schools in many ways, including donating to scholarship programs, supporting extracurricular activities, offering assistance with virtual instruction, volunteering in the schools, and sponsoring summer school programs.

The VSBA Business Honor Roll recognizes local businesses for their support to schools. The Appomattox County School Board submitted **Appomattox Inn & Suites and Joe Beans Express Espresso** to the 2024 Virginia School Boards Association Business Honor Roll.

Later this year, VSBA will publish the Business Honor Roll in the VSBA Newsletter and issue a news release about those honored through this program.

VSBA School Board Clerk Appreciation Week - February 17-21, 2025

Carrington Pritchard - Clerk
Kathy Inge - Deputy Clerk

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The month-long observance is an opportunity for your school division and community to build a stronger understanding of the crucial role school boards assume in a representative democracy. School boards voluntarily tackle the enormous job of governing multi-million-dollar public school divisions, while preserving the core of our democratic values.

Appomattox County Public Schools takes great pride in recognizing the following members of the School Board for their service and dedication to public education:

Mr. Jason L. Wells, Chairman
Mr. Bobby K. Waddell, Vice-Chairman
Mr. Gregory A. Smith
Mr. Roger B. Stough
Mr. Wyatt K. Torrence

Policy JEC-R - Student Admission requires the tuition rate for out-of-county students be set for each academic year. The superintendent seeks guidance from the Board concerning the tuition rate that should be charged for out-of-county students for the 2025-2026 school year.

Currently, there are 94 out-of-county students in the Appomattox school division, with 39 of those children being employee or county employee children.

1. 2011-2012 and 2012-2013 = $750.00 per student

2. 2014-2015, 2015-2016, 2016-2017, 2017-2018 = $1,000.00 per student with the exception of $750.00 per student for students enrolled in 8th through 12th grades in ACPS as of February 27, 2014. Please note: 2017-2018 was the last year the $750.00 exception applied.

3. 2018-2023 = $1,000.00 per student

4. 2023-2025 = $1,000.00 for the first student and $500.00 for each additional student.

The superintendent seeks guidance from the Board concerning the tuition rate that should be charged for out-of-county students for the 2025-2026 school year.

This is also included as an action item in this agenda.

Minutes of
Appomattox County School Board
Interim Meeting

The Appomattox County School Board met on Thursday, May 13, 2010 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. R. W. "Bobby" Mitchell, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Rev. Williams, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

Rev. Williams requested permission to expand the discussion of PPEA under the Superintendent's Report – Board of Supervisors PPEA Committee Members. There was no opposition to this request. It was moved by Mrs. Garrett and seconded by Mrs. Martin to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Board of Supervisors PPEA Committee

Dr. Grasty provided a letter from the Appomattox County Administrator which noted Mr. Gary Tanner and Mr. Tom Conrad will serve as the representatives of the Appomattox County Board of Supervisors on the PPEA Committee. (See Attachment # 1)

Rev. Williams noted that although he had agreed to serve on the PPEA Committee he preferred not to serve and he requested the School Board fill his slot with another member. Mrs. Martin volunteered to serve on the PPEA Committee with Mr. Waddell as the School Board representatives.

2010-2011 Budget Update

Dr. Grasty reiterated the Appomattox County Board of Supervisors cut $721,983.00 from our original 2010-2011 School Budget request of $4,323,010.00. Since this initial cut, the Supervisors have indicated they will provide an additional $200,000.00 to offset the cut and have directed the school

division to use $50,000.00 to make SOQ and the remaining $150,000.00 to be used for optional items at our discretion. The superintendent stated following receipt of this information, central office administrators and principals have spent many hours deliberating to determine which matching incentive grants to keep and which ones to forego. Dr. Grasty emphasized the decisions have been difficult ones to make as programs will need to be cut, students will not receive the same services, and employees will experience reduction in force. She noted concentration on K-12 education has been the direction taken as decisions regarding cuts are being recommended to the Board.

Mr. Perrow provided Board Members with a review of the revised 2010-2011 School Operating Budget and the 2010-2011 Food Service Budget reflecting the latest required cuts. (See Attachments # 2, # 3, and # 4) He stated our original budget request to the county was a typical minimum funded budget which included SOQ and incentive matches as well as several federal programs with no additional funds incorporated. He noted this had been the least amount provided to the school division every year he had been Director of Business, until this year. Mr. Perrow pointed out two unique situations that impacted the 2010-2011 School Budget: 1) our average daily membership (ADM) increased and 2) the General Assembly increased the Composite Index for Appomattox. Both of these items require the locality to increase the amount of money they provide the school division at a time of economic hardship. Mr. Perrow noted many school divisions are supported above the local match, minimum funded amount, but that has not typically been the case in Appomattox. He continued his presentation by providing a detailed review of the impact upon the budget as local matching funds are removed from the budget and the ramifications resulting in reduced state funding as well. Mr. Perrow also provided a detailed review of the changes made to revenues and expenditures for 2010-2011.

Dr. Grasty provided the following listing of initial budget reductions that had been made prior to the latest cuts from the Board of Supervisors:

1. Seven (7) retirements left unfilled
2. One and one-half (1.5) non-renewals left unfilled
3. Five (5) resignations left unfilled
4. Elimination of Coordinator of Special Education and those duties given to Central Office Administrator
5. Elimination of Coordinator of CTE and those duties given to Central Office Administrator
6. Reduction of one bus route and one driver
7. Reduction of CTE staff by 2.5 teaching positions
8. Sharing of teaching jobs between schools to accommodate needed endorsement areas
9. Staff transfers needed to accommodate needed endorsement areas

10. Reduction of course offerings at AMS and ACHS, due to positions being unfilled
11. Increased class size, due to fewer instructional positions
12. No pay increases or step increases for employees for the second consecutive year.

Dr. Grasty also provided the additional budget cuts that will be needed following the latest cuts from the Board of Supervisors:

1. Eliminate the three (3) Virginia Preschool Initiative (VPI) four year old classes at Appomattox Primary School (three teachers and three instructional assistants will be released through reduction in force.) Our Reduction in Force Policy addresses the employees most recently hired.
2. Eliminate the At-Risk matching incentive fund/program.
3. Eliminate Early Reading Initiative incentive fund/program (PALS for K-3)
4. Eliminate Algebra Readiness matching incentive fund/program
5. Reduce amount to cover new excluded costs in Required Local Effort calculation by $54,000
6. Eliminate all middle school sports (Appomattox Middle School principal and assistant principal will help with sports coverage at Appomattox County High School, as well as Central Office Staff)
7. Reduce Central Virginia Community College tuition reimbursement from 48% to 33%. (Students receive high school credit for these courses).
8. Eliminate Adult Education (Adult Basic Education, General Adult Education, and Family Literacy) matching incentive funds. No ADM funds are received for Adult Education programs.
9. Eliminate an Assistant Principal position at Appomattox County High School (ACHS teachers and Athletic Director will cover many duties/assignments/remediation by using half of their 90 minute planning block)
10. Elimination of two (2) Career and Technology Education (CTE) extended contracts
11. Employees will pay the difference in the health insurance premiums (This was a strong recommendation from the Board of Supervisors.)

The superintendent stated these cuts will allow us to achieve a balanced budget and emphasized the cuts are difficult and not what we want to bring to the Board. She noted because of the late date we received this information from the Board of Supervisors, we are required by state law to advise employees by June 1, or two weeks after the appropriating body has approved their budget, of

employment. Dr. Grasty stated it is our understanding the county will approve their budget on Monday, May 17, 2010.

Mr. Perrow referred to the expenditure budget noting the following: 1) an increase in unemployment expenses to cover claims filed by employees who will be cut, and 2) changes created by moving employees from one category to another to accommodate endorsement and scheduling needs.

Dr. Grasty indicated a number of transfers and shared positions will be implemented to cover endorsement areas. She emphasized a tremendous amount of work has gone into the development of an extremely conservative, very lean budget.

Mr. Mitchell asked the timeframe for notifying employees who will be cut. Dr. Grasty stated they would be notified the following day, May 14, 2010, if the budget is approved at this meeting. She noted Mr. Bruce McMillan, Director of Human Resources and Staff Development, issued an email to employees who might be cut and requested their preference for notification, in the event it would be needed. The superintendent emphasized the desire of the administration to be compassionate to our employees and notify them in a manner that would be the least upsetting.

Mrs. Garrett asked if official word had been received from the Board of Supervisors concerning the additional $200,000.00 in funding that had verbally been indicated. Mr. Perrow stated the consensus vote at a previous meeting indicated this additional amount of money would be granted to the school division, but nothing in writing has come to us at this point. He also indicated the County Administrator had instructed him to submit a letter, after July 1, 2010, requesting the remaining balance in the CIP (Capital Improvement Project) Fund be transferred to the school division's general operating budget for 2010-2011. Mr. Perrow stated we anticipate having approximately $94,000.00 to transfer to the operating budget after paying the balance due for the high school field projects and storage building.

Dr. Grasty pointed out the budget presented at this meeting incorporates $200,000.00 from our School Textbook Fund, which will be allowed according to our conversations with Department of Education budget personnel. A transfer of these funds will also need to take place after July 1, 2010. She noted we have a math textbook adoption this year and the last adoption cost approximately $300,000.00.

Mr. Perrow emphasized Stimulus Funds are also in the 2010-2011 budget and the employees initially earmarked to be funded by this money have been changed because of the many employee transfers required for endorsement

needs. Once the budget is approved, modifications will need to be made to insure the correct employees are funded through Stimulus money. He stressed Stimulus Funds will not be available after 2010-2011 and our budget for next year includes $900,000.00 to $1,000,000.00. Unless the economy improves or taxes are increased, our school division will be in a much worse position a year from now.

Rev. Williams stated the most devastating cuts were the elimination of the four year old classes and the adult education program. He also stated several months ago we were jubilant because the state cuts were not going to impact our budget as severely as surrounding counties and we thought our situation was favorable. The chairman noted this particular crisis is the direct response to the lack of funding by the County Board of Supervisors.

Rev. Williams asked the following questions regarding the budget:

1. What is the rationale for reducing rather than eliminating the CVCC reimbursement?

   Dr. Grasty stated the students enrolled in the program at CVCC receive high school credit as well as college credit. Mrs. Annette Bennett, Director of Curriculum and Instruction, indicated if we were not able to use CVCC or the courses offered through CVCC we would need to add staff at our high school and offer these courses which we do not have funding to accomplish. She also noted we currently do not have dual enrollment qualified staff at the high school as well as very few AP (Advanced Placement) teachers. Dual enrollment through CVCC is a financial advantage to the school division.

2. If the cuts are approved as submitted and we eliminate middle school sports, will the Athletic Director's (AD's) extended contract be reduced from twelve to eleven months? Rev. Williams noted the AD's contract was increased from eleven to twelve months when middle school sports was moved to that employee's responsibilities.

   Dr. Grasty noted the change to the length of this contract has been considered; however, the status of School Board personnel approvals in April is also being considered. She stated she would get back to the Board regarding the specifics of this particular contract.

3. The question was raised earlier concerning the number of high school office staff. At that time, it was indicated one of these individuals might become an administrative assistant for the new Alternative Education Program that is being developed. Is this still in the plans for next year?

Dr. Grasty reported one of our instructional assistants will be transferred to the Alternative Education Program to also handle some clerical responsibilities as well as serve as an aide in the classroom. She noted existing staff will be utilized for the Alternative Program and no new employees will be hired. The superintendent also noted retirements have occurred in the area of teachers, administrators, and bus drivers, but none in the clerical area.

Mr. Waddell stated all of the losses are tragic but the 54 students in the Four Year Old Program and the 100 individuals in the Adult Education Program are the ones who will be hurt. He emphasized this is not an easy decision.

General Assembly Update from VSBA Law Conference on May 7, 2010

Dr. Grasty and Mr. Waddell attended the VSBA Law Conference on May 7, 2010 in Charlottesville. (See Attachment # 5) Mr. Waddell stated the emphasis was Policies, Politics and Dollars. He noted one of the presenters had a lot of good ideas concerning surveys and how they should be organized. The presenter emphasized this is not a good time to issue surveys regarding budgets. The presenter also pointed out the same type of survey (appropriately modified) should be conducted every other year or every third year with surveys being incorporated in the initial planning process. Mr. Waddell reported changes to the laws were reviewed by Mr. Pat Lacy and he noted several laws are changing significantly. Dr. Grasty mentioned a panel discussion, encompassing individuals from four school divisions, addressed Reduction in Force and the painful process of implementing this procedure.

Board Docs Conversion Update

Board Members were provided with a schedule of Webinar Training Sessions. Dr. Grasty noted she and Board Members will need to participate in one of the one hour sessions following the May 27, 2010 Board Meeting and prior to the June 17, 2010 Board Meeting. It was the consensus of the Board to participate as a group in the School Administration Building in the session offered June 2, 2010 from 7:00 – 8:00 p.m.

Update of ACHS Principal Interview and Selection Process

Mr. McMillan reported seven of the thirty applicants for high school principal were invited for an interview with five accepting. The Interview Committee will select the top candidates who will be scheduled for second interviews with the superintendent and a representative from the School Board. Dr. Grasty requested input regarding the School Board representative with Rev.

Williams volunteering to participate. Mr. McMillan noted it is the intent to present the School Board with a recommendation at the May 27, 2010 Board Meeting.

ACTION ITEMS

Consideration of Request to Use ACHS Baseball Field

Dr. Grasty recommended Mr. Ray Perkins be allowed to use the Appomattox County High School Baseball Field for four National Amateur Baseball Federation (NABF) games (June 15, 2010, June 22, 2010, June 29, 2010, and July 6, 2010 with use of the field beginning one hour prior to the 7:00 p.m. game time) by completing a Facilities Use Agreement, providing insurance certification, providing payment of $50.00 per use (total = $200.00), payment of a custodian at $18.00 per hour (if needed), and cost of lights at $25.00 per hour (if needed). It was moved by Mr. Mitchell and seconded by Mrs. Martin to approve the use of the ACHS Baseball Field as recommended by the superintendent. Following discussion, Mrs. Garrett made a motion to amend the original motion and remove the $50.00 per use fee (total – $200.00) with a second from Mr. Waddell. The amendment received the following vote: Mr. Mitchell voted against with all other members voting in favor. By majority vote, the amendment was approved. The chairman then called for a vote on the amended motion with Mr. Mitchell voting against and all other members voting in favor. By majority vote, the amended motion was approved as recorded by voice vote.

Consideration of Additional Budget Cuts Following May 3, 2010 Public Hearing

It was the consensus of the Superintendent and the Board that budget cuts were being recommended and voted upon with a heavy heart. It was moved by Mrs. Martin and seconded by Mr. Mitchell to approve the additional budget cuts for 2010-2011 as presented and recommended by the superintendent. As a matter of discussion, Rev. Williams referred to cut #9 (assistant high school principal) and asked if employees without Masters of Supervision Degrees should be asked to perform administrative tasks normally performed by individuals with these credentials. Dr. Grasty indicated administrators have been in touch with other schools who utilize teachers and Athletic Directors to cover duties and assignments normally handled by assistant principals. She stated not all of the assignments are supervisory and administrative in nature. The superintendent noted individuals without that degree may handle low consequence behaviors such as tardies, dress code violations, supervision at exit doors. Mr. Michael Kelly, Interim Principal at Appomattox County High School, has researched this area and received additional information that will be studied as this process is implemented. Rev. Williams requested the process be monitored closely and Dr. Grasty indicated this would be done. The Chairman noted, should this method

prove to be unsuccessful, an assistant principal position be reinstated for 2011-2012 with this person also serving as Athletic Director. Following the discussion, Mrs. Garrett voted against the motion with the remaining Board Members voting in favor. By majority vote, the motion was approved as recorded by voice vote. (See Attachment # 6)

Consideration of Approval of Revised 2010-2011 School Budget

It was moved by Mr. Waddell and seconded by Mr. Mitchell to approve the 2010-2011 School Operating Budget in the amount of $18,739,583.00 and the 2010-2011 Food Service Budget in the amount of $985,387.00 as presented and recommended by the superintendent. Mrs. Garrett and Rev. Williams voted against the motion. Mrs. Martin, Mr. Mitchell, and Mr. Waddell voted in favor of the motion. By majority vote, the motion was approved as recorded by voice vote. (See Attachments # 7, # 8, and # 9)

CLOSED SESSION

Adjourn to Closed Session

Mrs. Garrett moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711 (A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #61, #53, #466, #300, and #384.

PUBLIC REQUESTS TO COMMENT – AGENDA ITEMS ONLY

There were no requests from the public to comment on agenda items.

SUPERINTENDENT'S REPORT

Membership Report

The superintendent reported the total funded average daily membership (ADM) was at 2,197 students as of April 30, 2010. This compares with a budgeted ADM of 2,130. (See Attachment # 1)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 2)

VSBA and NSBA Activities

The following VSBA and NSBA activities were discussed:

VSBA conducted a Policy Services Workshop in Charlottesville on May 17, 2010. Dr. Grasty attended and stated approximately thirty-five policy revisions will be coming before the Board within the next few months.

VSBA will conduct a School Law Conference on June 4, 2010 in Charlottesville. Mrs. Beth Haught, Interim Supervisor of Remedial and Special Education, and Mr. Waddell are registered to attend.

The VSBA Governor's Conference on Education will be held on July 20, 2010 at the Richmond Marriott. The deadline for registration is June 29, 2010.

Board Members were provided information from Mr. Frank Barham, VSBA Executive Director, which encouraged local school divisions to promote daily physical activity and reduce childhood obesity.

Information concerning the VSBA Media Honor Roll was distributed. It was the consensus of the Board to recognize Mr. Marvin Hamlett and Ms. Stephanie James, both with *The Times Virginian* newspaper in Appomattox at the June 17, 2010 School Board Meeting.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

Information from the Director of Business

Mr. William C. Perrow, Director of Business, provided the following information to the Board:

1. 2010-2011 Budget: Mr. Perrow stated we have not received a letter from the Appomattox County Board of Supervisors indicating their funding beyond the initial letter stating a cut in the amount of $721,983.00. This information was shared with the County Administrator at the May 20, 2010 Board Chairs Meeting and Mrs. Ferguson indicated she needs a final copy of the approved 2010-2011 School Operating Budget and 2010-2011 Food Service Budget prior to providing the required letter. Mr. Perrow stated these documents were forwarded to Mrs. Ferguson today with a request for a budget approval letter from the locality.

2. ACHS Storage Building: The foundation slab for the Appomattox County High School Storage Building was poured earlier in the day.

3. Alternative Education Program: The 2010-2011 Alternative Education Program for the school division will be held at the Cottage on the grounds of the old elementary school. Estimates in the amount of approximately $30,000.00 have been received for alternations needed to this facility prior to beginning the alternative education program. This has been discussed with our Maintenance Department and they have determined they will be able to complete the work at an estimated cost of several thousand dollars. Mr. Perrow commended Mr. Timmy Garrett, Mr. Tim Maxey, Mr. Sam Robinson, Mr. Mario Luongo, and Mr. Chris Mason for the excellent job they continue to do for the school division.

Mrs. Garrett suggested Mr. Timmy Garrett and the other members of the Maintenance Department be recognized by the School Board. Mrs. Martin noted this was not the first time the Board has been notified of their hard work and cited the favorable comments from Mr. Blair Smith when he completed a recent Facilities Study for the school division. It was the consensus of the Board to recognize the Maintenance Department at the June 17, 2010 School Board Meeting.

4. Current 2009-2010 School Budget: We have received a number of revenue cuts during the current school year and we have missed our original budget by nearly $1,000,000.00 in revenue. The state recognized this was going to occur because of the number of cuts they implemented and initiated a holiday for Virginia Retirement System costs for the months of April, May, and June 2010. The $670,000.00 in our Carry Forward Fund will be used to complete the current budget year. Mr. Perrow noted our situation would have been worse had we not experienced an increase in average daily membership (ADM). He also noted the

importance of spending the proper amount in order to meet our required local effort and stated it is going to be a close calculation as we finish out the year.

Discussion of Future School Board Travel and Meals

Dr. Grasty stated Mrs. Garrett had mentioned at the last Board Meeting that consideration be given to reducing future Board travel and meals in light of budget reductions. The superintendent recommended discontinuing the meal for interim meetings and having a simple sandwich box meal at the regular monthly business meetings. Mrs. Garrett noted this would be a positive way to show that Board Members are taking cuts as well as everyone else in the school division. It was the consensus of the Board to follow the superintendent's recommendation.

PPEA Committee Meeting

Dr. Grasty reported the first meeting of the PPEA Committee was held on May 24, 2010 at 4:30 p.m. in the School Administration Building. In attendance were Mrs. Amy Martin, Mr. Bobby Waddell, Mr. Gary Tanner, Mr. Tom Conrad, Mrs. Aileen Ferguson, Mr. Billy Perrow and Dr. Dorinda Grasty. The scope and goals of the committee were discussed. The next meeting is scheduled for June 9, 2010 at 4:30 p.m. At that time, the committee will hear presentations regarding the pros and cons of both the PPEA and the traditional route for renovation of a school. The committee will then work to determine which route to proceed with and make a recommendation to the School Board.

Mr. Waddell noted the PPEA Committee members are well aware of the fact the School Board will make the final decision concerning renovation of the primary school by the traditional route or use of a PPEA. He further noted the PPEA Committee is functioning as a fact finding committee that will make recommendations to the School Board.

Board Docs Conversion Update

The superintendent reminded Board Members of the Board Docs Webinar training scheduled in the School Administration Building on Wednesday, June 2, 2010 from 7:00 – 8:00 p.m. The training is required in preparation for the June 5 and 6, 2010 Board Docs update and conversion.

Donation to ACHS Senior FFA

Dr. Grasty informed the Board of the donation of a truck to the Appomattox County High School Senior FFA Chapter. (See Attachments # 3 and # 4)

Update of Professional Development

Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, provided an update regarding professional development. Mr. McMillan noted at an earlier meeting, School Board Members requested the administration consider increasing the amount budgeted for tuition reimbursement should the budget allow. He further noted, during the past year or so, tuition reimbursement has been discontinued in our school division which had been $400.00 per class for three classes in a five year period. The alternative method used during the second semester of the current school year has been to offer classes through Central Virginia Community College (CVCC) where the costs have been significantly less. Mr. McMillan stated the costs for CVCC classes have been paid through grant funds and the classes have been specific classes needed by our staff. He indicated classes through CVCC are planned for the 2010-2011 school year with some expansion and requested guidance from the Board concerning their direction for staff development.

Mr. Waddell asked if employees earn points toward certification. Mr. McMillan indicated each class receives one college credit hour and awards the employee with thirty recertification points.

Dr. Grasty indicated positive responses have been received from teachers concerning the current staff development program. She also mentioned restructuring will take place next school year to award recertification points to staff members serving as grade chairs and mentor teachers in lieu of receiving a nominal stipend.

Mrs. Garrett noted, unfortunately, the hope of reverting to the tuition reimbursement program has been shattered by the huge budget cuts we will be experiencing next year. She indicated her support of continuing to offer classes through CVCC at a minimal cost to employees while continuing to provide recertification points.

Employee Recognition Banquet Update

Mr. McMillan reminded the Board of the Annual Employee Recognition Banquet that will be held Tuesday, June 1, 2010 at 6:00 p.m. at the Appomattox Community Center with approximately 75 employees planning to attend.

Recommendations from Career and Technical Education General Advisory Council

Mrs. Maureen Crane, Career and Technical Programs Coordinator, provided the Board with the 2010-2011 Career and Technical Education General Advisory Council Recommendations. (See Attachment # 5)

New Technology Demonstration and Website Update

Mr. Brette A. Arbogast, Supervisor of Technology, demonstrated dump terminals which sell for $175.00 each, provide web access, and are utilized by students taking Accelerated Reader tests.

Mrs. April Johnson, Computer Technician, reviewed the latest updates to the school division webpage. Mr. Arbogast thanked Mrs. Johnson for her hard work on the webpage and the added responsibilities she undertakes during SOL online testing.

School Board Representatives on Disciplinary Committee

Dr. Grasty requested Board representatives to serve on the Disciplinary Committee for the remainder of 2010 with Board Members volunteering as follow:

1.	July, 2010	-	Mrs. Garrett
2.	August, 2010	-	Mrs. Martin
3.	September, 2010	-	Rev. Williams
4.	October, 2010	-	Mr. Waddell
5.	November, 2010	-	Mrs. Garrett
6.	December, 2010	-	Rev. Williams

Adult Education Update

The superintendent informed the Board that in light of the recent cuts which removed adult education from the 2010-2011 School Budget, Dr. Mark Angle, Regional Program Manager for ACE (Adult Continuing Education) of Central Virginia, contacted her to see if there is anything that he can do to help reinstate the program, perhaps on a part-time basis. A conference call was held on May 26, 2010 which included Dr. Angle, Mr. Perrow, and the following individuals from the Virginia Department of Education: Mr. Randall Stamper, Mr. James Andre, Ms. Cynthia Finley, and Mr. Lan Neugen. Dr. Grasty noted she was unable to participate in the conference call due to illness. Mr. Perrow indicated Department of Education personnel are very interested in trying to help us keep some form of adult education program in Appomattox. They are considering in-kind matches that might allow us to receive adult funds without expending any actual cash. It

was apparent they will not be able to come up with enough money to reinstate the program as we have known it to exist previously. Mr. Perrow noted if DOE can reinstate a portion of our adult education person by allowing us to use in-kind matches perhaps that person could be assigned to additional tasks in the school division to equate to a full-time job. Dr. Grasty mentioned she had spoken with Dr. Angle earlier in the day and he indicated many divisions operate adult education on a part-time basis which would equate to two day classes and two evening classes with the employee submitting timesheets and being paid through the ACE Office located in Amherst. She indicated she would keep the Board updated as additional information is received.

Summer (June) Issue of Raider's Digest

Martha J. Eagle, Principal
Poldi Moreno, Assistant Principal

Have a great summer!

The role of the teacher remains the highest calling of a free people.
To the teacher, America entrusts her most precious resource, her children.
-Shirley Hufstedler

Words of Encouragement from our Principal, Martha J. Eagle

It's time to say Good-bye.
Our year has come to an end.
We've made more cherished memories
And many more new friends.
We've watched your children learn and grow
And change from day to day
We hope that all the things we've done
Have helped in some small way.

Dear AMS Parents and Families:

What a tremendous year we have had at Appomattox Middle School. It is exciting to think of all the things that were accomplished this year. We have soared with our spring SOL scores, we have completed great feats in our sports programs, and we have seen such wonderful growth in your children.

This time of year also saddens our hearts as we look for many changes this upcoming year. We will have less encore/elective programs, no middle school sports, and a few changes in personnel. We know that as our AMS family has worked as a team this year, we will pull through and pray for brighter days to come. This budget crunch is a temporary issue and we hope that our programs will be reinstated in the next few years.

We wish our 8th graders the best of luck as they continue their next four years of education. They each are wonderfully unique individuals who can offer this world so much.

We welcome our rising 6th graders with great anticipation. I know they are anxious and nervous.

Have an awesome summer and please feel free to visit the AMS administration this summer. We are always pleased to see our students and meet with families as needed. We will host summer school for both AMS and ACHS in July and will be offering school tours to our new families.

Positive Attitudes, Endless Possibilities!!!

Guidance News

AMS Summer School will be held **July 12-30, from 8:30 - 11:45 am.** Students may take one or two classes during Summer School. (Students who take only one class will need to provide their own transportation between class blocks.) Initial Summer School letters and bus information was mailed home on May 12; final information will be disseminated in June.

Enrolling for School

As you meet families this summer who are new to our county, please encourage them to enroll their children for school as soon as possible. Enrollment packets will be available for students entering grades 6,7 and 8 in the main office at AMS. Students who attended Appomattox County Public Schools as of June 4, 2010 are already pre-registered for school, and need only come on Fee Day.

Advanced Classes

If a student qualifies to take an advanced math or language arts class for the 2010-2011 school year, the parent/guardian will receive a letter within the next few weeks. Included with the letter will be a permission form for you to fill out and return to AMS. Your child's schedule will not be updated to include the advanced class until we receive the permission form.

AMS Student Schedules for the 2010-2011 School Year

Our Master Schedule will not be "final" until mid-August. Student schedules will be made available to parents and students on Fee Day.

"Walk or Bike to School Day"

On April 28, students and teachers at Appomattox Middle School and Appomattox Elementary school participated in "Walk or Bike to School Day." Over 150 students and teachers walked, biked, or skateboarded at least ¼ of a mile to school that morning. All students and teachers who participated received a reusable water bottle. Raffle winners for each grade level were Tamara Lockner, Kacey McKinney, and Mia Harrison. Students who walked the farthest distance were Chandler Reid, Devin Harvey, Chase Ford, and Ebony Austin. Ryan Neal won the poster contest promoting the event.

Congratulations to all our prize winners!

The Appomattox Middle School is extremely proud of all our Academic SOL Winners. Three names were drawn from all students achieving a passing score on the Spring SOL Tests! These 3 students have won either a $50.00 Walmart gift certificate or a bike of their choice from Walmart not to exceed $100.00. Congratulations to:

Brandon Mills – 6th grade
Jasmine Robinson - 7th grade
Colby Lane – 8th grade

Bike Rodeo

The Bike Rodeo was held **April 30, 2010** for the 8th grade students. The students did a wonderful job at the 8 "stations" in which they competed. Some of the stations included cone weaving, fastest bike time, and figure 8's. The top 3 females and top 3 males were given gold, silver and bronze medals. The students had a good time and they competed like champions! The P.E. department looks forward to doing this again next year. The following students were chosen based on certain criteria throughout the bike unit because of their good attitude, encouraging their classmates and their excellent participation:

Bike Rodeo participants:

Amber Gilliam
Bailey Drinkard
Stacy Williamson
Patricia Garrett
Shuntal Walker
Rebecca Cothran
Candace McCoy
Lauren Higgs

Tavin Manigo
Jared Curtis
Colton Blanchard

New Immunization Requirements

To all parents that will have children starting 6th grade in the 2010-2011 school year:

All 6th graders will be required to have the T-Dap immunization before entering the 6th grade. **The Appomattox Health Department is giving the T-Dap immunization every Wednesday from April through August.**

New immunization requirements for the 2010-2011 school year will be in place for all students attending Virginia public schools. A complete immunization record should have:
4 doses of Dtap and 1 dose T-Dap
4 doses Polio vaccine
2 doses MMR – measles, mumps and rubella
3 doses Hepatitis B
2 doses Varicella

It is the parent's responsibility to provide documentation of all required immunizations and to make sure they are **up-to-date** and **complete**.

Appomattox County Health Department

From April through August, the health department will be offering the TDAP Vaccinations every Wednesdays from 8:30 a.m. – 11:30 a.m. and from 2:00 – 4:00 p.m.

4-H Camp

4-H Camp will be **August 9-13** at Holiday Lake 4-H Center. This overnight camping experience is for ages 9-13. Camp registration forms are available in the middle school office or the Extension Office. For more information about this fun-filled week, call the Extension Office at 352-8244.

6th Grade Memorial Day Project

The 6th grade students participated in the "One in a Million Campaign." Students donated money to purchase two special "Thank you" coins for Veterans. These coins will be delivered to two hospitalized veterans with a special thank you from our 6th grade students. For more information about this campaign you can visit the website at: www.productsforgood.com

Return on Educational Investment

- The Center for American Progress conducted a study on Return on Education Investment for all school divisions. ACPS was rated among the highest 5 school divisions in Virginia for educational productivity. The ranking used 2008 data. The top 5 divisions were: Appomattox, Franklin, Manassas, Norton and Mecklenburg.

Budget Goals 2011-12

- 1. Maintain student excellence in academic achievement
- 2. Retain existing faculty and staff
- 3. Maintain current class size
- 4. Continue to be appealing to families moving into the area
- 5. Continue remediation services
- 6. Provide health insurance for staff with division paying increase in premiums
- 7. Reinstate 4 year old program

Goals continued

- 8. Continue Adult Education Program
- 9. Continue Dual Enrollment Program with CVCC
- 10. Reinstate lost matching incentive programs
- 11. Continue to pay 5% VRS for employees
- 12. Reinstate middle school sports
- 13. Provide one step in pay scale for employees which has been stalled 3 years

- Continue working relationship with Board of Supervisors to implement the Facilities Use Plan to maintain and improve facilities and to provide a quality education for the children of Appomattox County

Budget Considerations

- Budgeted Average Daily Membership (ADM) for 2010 – 11 2218
- Current ADM 2234
- State Budgeted ADM for 2011 – 12 2254

Budget Considerations

- 36 additional students in ADM are worth approximately $309,000 in additional state and local funding
- Designated state funds are targeted for specific areas and cannot be used elsewhere, such as At-Risk, Remedial, Prevention and Remediation, etc.
- No additional Federal Stimulus Funds are available; remaining funds have defined uses, such as Title I and Special Education

Budget Unknowns

- Final federal funding
- Carryover funds
- Final attrition numbers (retirements and resignations)

More Unknowns in the budget…

- Health insurance premiums for employees
- Virginia Retirement System (VRS) changes for employees and employers
- Textbook adoptions are looming (last math adoption cost $500,000)

Governor McDonnell

- Has until today to sign, amend or veto bills
- General Assembly reconvenes April 6

2010-11 Division Cuts Included

- 22 positions through retirement, resignations, non-renewals, and combining of jobs/responsibilities
- 6 Reductions in Force (RIF)
- Loss of matching incentive grant programs (SOL algebra readiness, VA Preschool Initiative, Early Reading Intervention, At-Risk)
- Middle school sports (165 students)

State Support of K-12

- Has decreased by almost 20% between 2007 and 2010
- Percentage of adopted General Fund appropriations for K-12 Direct Aid has decreased from 35% to 30% since 2009
- 59% of VA's school divisions have targeted cuts to instructional programs
- 55% have delayed textbook replacements
- 55% have increased class size

Local school divisions have been supported by federal stabilization money that will soon be unavailable

Medicaid and State K-12 Aid Funding Levels are Converging

Revenue 2011-12

Current Revenue Document

- Uses Conference Budget
- Uses Prior Year Federal Revenues
- Includes Reduced Medicaid Dollars
- Assumes Full Local Match to restore lost matching programs of At-Risk, Early Reading Intervention, SOL Algebra Readiness, Virginia Preschool Initiative (4 yr. old program) and to continue K-3 Class Size Reduction Matching Program

Federal Stimulus

- Stimulus dollars end September 30, 2011
- Jobs Bill $$ end 9/30/12
- We need to be prepared for the “Cliff” approaching…

Our local funding request for 2011-12 is $5,005,272.75

Expenditures

2011-12 Expenditures Include

- Increase in Health Insurance Premiums
- Increase in VRS Contribution Rate
- Increasing Fuel Prices
- 3 New School Buses
- FCC Mandated Radio Upgrade
- Resuming One Normal Step Adjustment For Staff
- Reinstating Middle School Sports
- Reinstates lost matching incentive programs that were cut this year
- Step adjustment for employees

Buses needed – this budget requests 3

- The Department of Education recommends a 12 year rotation of buses
- Currently we have 20 buses that are more than 12 years old
- Total fleet – 52 buses, so 38% are beyond state recommendation for replacement
- $250,000 – 3 buses

Matching Incentive Programs – Virginia Preschool Initiative

- HighScope Perry Preschool Study
- *Lifetime Effects: The HighScope Perry Preschool Study Through Age 40* (2005)
  This study — perhaps the most well-known of all HighScope research efforts — examines the lives of 123 Americans born in poverty and at high risk of failing in school.

  From 1962-1967, at ages 3 and 4, the subjects were randomly divided into a program group that received a high-quality preschool program based on HighScope's participatory learning approach and a comparison group who received no preschool program. In the study's most recent phase, 97% of the study participants still living were interviewed at age 40. Additional data were gathered from the subjects' school, social services, and arrest records.

  The study found that adults at age 40 who had the preschool program had higher earnings, were more likely to hold a job, had committed fewer crimes, and were more likely to have graduated from high school than adults who did not have preschool.

Increases

- VRS – increases from to 9.03% to 11.33%
- Health insurance premiums – projected to increase by 15%
- Step adjustment for employees – $170,322
- Reinstate middle school sports – $20,000
- FCC radio upgrade – $120,000
- Fuel prices – additional $58,000

- Eliminate class offerings at ACHS with less than 15 students per class
- Combining classes – teachers traveling
- Reduce staff further – increase class size K–12
- Reductions in Force (RIF)

Maintenance of Effort (MOE)

- Must expend equal or greater amount per pupil than prior year or year selected by federal government
- In 2009-2010 we did not meet MOE in Special Education and Title I - had the federal government not granted a waiver, we would have had to **return funds**
- **This could be an issue for 2010-11**

Budgeted Required Local Effort for the Standards of Quality
Fiscal Year 2011 – VA Department of Education Comparison

All school divisions exceeded budgeted required local effort for fiscal year 2011. The range of budgeted local support in excess of the required amount is:

* Lowest– Appomattox – 4.15%
* Highest– Arlington – 214.27%

* The average budgeted local support in excess of the required level for FY 2011: **80.75%**

School Division Participation in Optional Programs with Local Match Requirements
Fiscal Year 2011

Pursuant to Item 132, Paragraph B.10, Chapter 874, 2010 Acts of Assembly, for fiscal year 2011, the Department of Education collected data on budgeted required local match for applicable Lottery funded accounts that require a local match.

As part of this data collection, school divisions also certified participation in certain Lottery funded accounts; where applicable. All school divisions have submitted complete reports and have certified their participation status for fiscal year 2011.

School divisions either opted in or opted out of participating in the optional programs that have a required local match. If sufficient local operating expenditures were not available to meet local match requirements, then local school divisions requested additional local appropriation from the governing body prior to receiving state funds in fiscal year 2011.

The following information details by account the school division participation in Lottery funded accounts in fiscal year 2011:

	Number of Divisions Opting In	Number of Divisions That Must Request Additional Local Appropriation	Number of Divisions Not Eligible for Funding	Number of Divisions Opting Out
At Risk	135	0	0	1
Virginia Preschool Initiative (VPI)	110	0	9	17
Early Intervention Reading Initiative	135	0	0	1
K-3 Primary Class Size Reduction	112	0	23	1
SOL Algebra Readiness	131	0	0	5

Our local funding request for 2011-12 is $5,005,272.75

- The children of Appomattox are worth our effort and investment.
- Industry seeks a community with a well educated population.
- Industry seeks a county that is invested in education with a financial commitment to children.
- People moving in the community to buy real estate seek a strong and strongly funding education system for their children.

Why we are asking for more than state mandated Required Local Effort (RLE):

- **Return of Valuable Programs**
- At Risk
- Virginia Preschool Initiative
- Early Reading
- Algebra Readiness, and
- Continuing K-3 Class Size Reduction

Minutes of
Appomattox County School Board
Budget Work Session and Interim Meeting

The Appomattox County School Board met on Thursday, March 10, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct a Budget Work Session and Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

QSCB Bond Awarded for Primary School Project

Dr. Grasty was delighted to report our school division has been awarded a Qualified School Construction Bond (QSCB) in the amount of $10 million for the renovation of Appomattox Primary School. This is a zero-interest loan that will save the county over $4 million during the life of the loan. (See Attachment # 1)

National FFA Week

The Town of Appomattox proclaimed February 19 – 26, 2011 as National FFA Week. (See Attachment # 2)

Request to Participate in Feeding America Food Drive with Our Local Walmart

The superintendent stated Walmart has requested to partner with our school division for their Feeding America Food Drive, March 12 – 31, 2011. By participating in this project, students, staff, and parents will be encouraged to participate by donating canned, boxed, or bagged food items in collection containers that will be located throughout the community and possibly at each

school. Dr. Grasty noted the donated food would be given to a local food bank. By consensus, the Board agreed to participate in this worthy cause.

BUDGET WORK SESSION

Budget Update from the Superintendent and Budget Work Session

Dr. Grasty provided information from the Virginia Department of Education (DOE) regarding the 2011-2012 School Budget. (See Attachment # 3) The DOE data concerning 2011 budgeted required local effort for the Standards of Quality revealed Appomattox was the lowest of all 136 school divisions at 4.15%. The highest was Arlington at 214.27%. The average budgeted local support in excess of the required level across the state for fiscal year 2011 was 80.75%. Dr. Grasty noted had our school division received the 80.75% average it would have resulted in an additional $3 million. She also pointed out Appomattox County Public Schools was unable to participate in the following optional programs because our county did not meet the local match requirements: At-Risk, Virginia Preschool Initiative (VPI), Early Intervention Reading Initiative, and SOL Algebra Readiness. For fiscal year 2011, we were only able to participate in one of the optional local match programs which was the K-3 Primary Class Size Reduction Program. Dr. Grasty stated this information was very disheartening.

Mrs. Garrett requested a copy of this information be submitted to Mrs. Aileen Ferguson, County Administrator, and the Members of the Appomattox County Board of Supervisors. Rev. Williams noted this information is frustrating but not news to the Board. He also requested a letter of explanation be submitted with the document. Dr. Grasty stated she would take care of these requests.

Mr. Stephen O. Edwards, Director of Business and Operations, reviewed the revised budget variables for the 2011-2012 School Budget and shared the following points of information: (See Attachments # 4 and #5)

- Base Budget includes restoring the following programs which were cut from the current 2010-2011 budget: Early Reading, Algebra Readiness, Mentor Teacher, Virginia Preschool Initiative, and At-Risk Program. The inclusion of these programs increases the required local match by $112,978.00.
- Base Budget also includes the purchase of three school buses ($225,000.00 - $250,000.00), a new FCC mandated radio system and a 14.5% increase in health insurance.
- VRS contribution rates have decreased from 12.16% to 11.33% which resulted in a savings of $61,428.00.
- Base Budget has a funding shortfall of $321,082.00.

- The 2011-2012 Base Budget is based upon a significantly higher average daily membership (ADM).
- An additional $50,000.00 has been included in the Base Budget to cover the increasing costs for fuel.

Dr. Grasty noted when the General Assembly adjourned, bills were sent to the Governor for his signature and he has 30 days to sign into law, amend, or veto. This could result in not having final information from the Department of Education until near the end of March. In the past, Mrs. Aileen Ferguson, County Administrator, has requested budget information from the school division by the first part of April.

Rev. Williams stated the budget variables may appear to be presented by priority but noted the Board had not designated a priority listing.

Mrs. Garrett stressed a number of unknowns exist including the final cost for health insurance. Mr. Waddell pointed out this factor would not be known prior to finalizing the 2011-2012 budget.

Mrs. Garrett noted the Public Hearing on the 2011-2012 budget was conducted to gather input from staff; however, it was most unfortunate that only one person addressed the Board. She also shared her dismay that parents who have been concerned about the elimination of middle school sports for the current school year did not speak. Dr. Grasty also noted a number of emails and Global Connect messages were issued as well as a special letter to parents.

Dr. Grasty stated all AARA and SFSF funds will end on September 30, 2011 and referenced the funding cliff this will create. The remaining Jobs Bill money must be used by September 30, 2012. Mr. Edwards stated the FY 2012 Budget revenue reflects $219,000.00 in Jobs Bill funds. Mrs. Garrett indicated it was not the vote or consensus of the Board to roll these funds to the 2011-2012 school year.

Following a lengthy discussion, Dr. Grasty requested direction from the Board regarding the 2011-2012 School Budget.

Mr. Waddell stated the amount for fuel must be increased with Mrs. Garrett in agreement. She also voiced her support of keeping everything discussed in the base budget, reinstating middle school sports, making no reductions to high school sports, and adding one normal step.

Mrs. Martin concurred with Mrs. Garrett and noted the importance of keeping the Board of Supervisors informed with all of the information that we are

receiving, especially the Department of Education documents reviewed by the superintendent at this meeting.

Rev. Williams recommended the final school budget be presented to the Board of Supervisors rather than delivered. He recommended an appointment be made for a personal presentation at one of the Supervisors' budget work sessions. Dr. Grasty stated this could be done and directed Mr. Edwards to check with the Supervisors regarding this topic. Mr. Waddell and Mrs. Garrett stated all School Board Members should be in attendance when the budget is presented. Dr. Grasty indicated the Joint Board Meeting on March 29, 2011 might be an ideal time for this to take place if the School Board has approved a final budget prior to this meeting.

The superintendent stated the Board of Supervisors recently approved providing an additional $600,000.00 for furniture, fixtures, and equipment (FFE) for the Appomattox Primary School PPEA renovation project. She indicated the gratitude of the School Board was shared at a recent PPEA meeting. Mrs. Martin cited the award of the $10,000,000.00 interest-free Qualified School Construction Bond helped toward the additional FFE funds from the county. Mrs. Martin also expressed appreciation to Mr. William C. Perrow, Director of Business, for successfully completing the bond application.

APPOINTMENT OF INTERIM SCHOOL BOARD MEMBER

Update from the Superintendent

The superintendent reviewed the following timeline for appointment of an Interim School Board Member from the Courthouse District in order to comply with state law which requires the position be filled within forty-five days:

1. Advertise two weeks in the Times-Virginian (March 2 and March 9) for interested persons to apply with a March 15, 2011 deadline. (See Attachments # 6 and # 7)

2. Develop questions for applicants.
   a. Board Members will submit requests to the Chairman by March 11, 2011.
   b. Chairman and one other Board Member, appointed by the Chairman, develop questions.

3. Invite applicants to a group interview at the March 24, 2011 Board Meeting, or an alternative date selected by the Board.

4. Applicants will be seated randomly in front of the Board table.

5. Same questions are asked of each candidate. Name of candidate to receive first question drawn by lot; rotate who goes first, keeping the same order. The second question is asked of the person to the left of the person asked the first question. Chairman asks the questions.

6. At conclusion, candidates will be given an opportunity for a minute final statement. Select person to go first by lot, going in order to the left of the first person.

7. Board Members convene in closed session to discuss candidates.

8. In open session, Chairman opens floor for nomination and second; the first person nominated who receives three yes votes is selected for the interim position.

Dr. Grasty reported the Writ of Election had been filed as required.

Following discussion, the Board instructed the superintendent to clarify the length of time the interim member would hold office and the date the elected member would take office. Dr. Grasty stated she would be glad to secure this information and report to the Board.

Rev. Williams reported the Redistricting Committee will conduct their first meeting on March 24, 2011. He also noted the impact redistricting may have on candidates.

Appointment of Board Member to Assist Chairman with Interview Questions

Mrs. Garrett, Chairman, appointed Mr. Waddell, School Board Vice-Chairman, to assist in developing interview questions for Interim School Board candidates.

ACTION ITEMS

Consideration of Approval of Overnight Trips

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the overnight trip requests as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 8 and # 9)

SUPERINTENDENT'S REPORT

Membership Report

The superintendent provided the February 28, 2011 Membership Report which indicated the total funded ADM was 2,233 students. This compares with a budgeted ADM of 2,218 for the 2010-2011 school year. (See Attachment # 6)

Educational Trips

Board Members were provided with a listing of educational trips for their information and review. (See Attachment # 7)

VSBA and NSBA Activities

The following VSBA and NSBA activities were discussed:

The VSBA 2011 Southern Regional Forum will be held March 28, 2011 at Sandusky Middle School in Lynchburg. The fee is $29.00 per person. Mrs. Garrett, Mrs. Martin, Mr. Waddell, Rev. Williams, and Dr. Grasty will be attending. An additional registration has also been processed for the Interim Board Member, should that individual wish to attend.

The Annual VSBA Policy Services Workshop will be held May 27, 2011 in Charlottesville. The deadline for registration is May 13, 2011 and the fee is $95.00 per person. Dr. Grasty is registered to attend.

The Annual VSBA School Law Conference will be held June 3, 2011 in Charlottesville. The deadline for registration is May 20, 2011 and the fee is $165.00 per person. Dr. Grasty is registered to attend.

VSBA Legislative Proposals should be submitted to the VSBA office no later than Monday, June 13, 2011. The Legislative Positions Committee will meet July 20, 2011.

Information from the Schools and Division Offices

School and division newsletters were distributed to Board Members for their information and review.

School Showcase

Mrs. Martha Eagle, Principal, and Mr. Poldi Moreno, Assistant Principal of Appomattox Middle School, showcased the resources, routines, and relationships developed at AMS this year by implementing strategies from the Administrative Team's book study of *Learning by Doing*. A detailed review was presented of the successful AMS System of Intervention Plan with Board Members role playing students who had been identified because of school attendance, behavior, academic, or physical/medical issues. A pictorial review of many of the clubs offered to middle school students was also provided. Dr. Grasty noted the System of Intervention Plan was the AMS program recognized by VSBA through their Showcases for Success. (See Attachments # 8 and # 9)

Discussion of Out-of-County Tuition Rates

Dr. Grasty recommended the Board consider increasing the out-of-county tuition rate which is currently $500.00 per student per year and requested consideration from Board Members. She noted 49 students currently attend Appomattox County Public Schools on an out-of-county tuition basis. Another 30 students from outside the county also attend without paying because they have a parent who is employed by the school division or county, or the parents own

property in Appomattox County and pay taxes equivalent to the $500.00 charge. Dr. Grasty indicated out-of-county students count toward the division's Average Daily Membership (ADM). Rev. Williams questioned the county tax dollars that are not paid towards the education of these students. Dr. Grasty noted at a recent discussion, county personnel stated they pay $1,900.00 to $2,000.00 per in-county student. Mr. Waddell was in favor of increasing the rate and suggested $750.00 per student. Rev. Williams favored out-of-county students carrying more of the burden. Mrs. Garrett suggested the rate increase to $750.00 per student except currently enrolled students who will be a junior or senior next year. She also suggested newly enrolled juniors and seniors pay $750.00.

Update from Central Virginia Governor's School for Science and Technology

Mrs. Annette A. Bennett, Director of Curriculum and Instruction, reported for a number of years our school division has held six slots (three juniors and three seniors) at the Central Virginia Governor's School for Science and Technology (CVGS). She stated we have experienced difficulty filling all six slots for some time. As previously directed by the School Board, a request was made to CVGS to reduce our total number of slots to four for the 2011-2012 school year. Mrs. Bennett provided Board Members with a letter from Dr. Stephen C. Smith, Director of CVGS, which indicated the Board's request had been honored. (See Attachment # 10) Mrs. Martin serves on the Governing Board of the Central Virginia Governor's School for Science and Technology and stressed the high college acceptance rate of students attending CVGS.

Information from the Director of Business and Operations

Mr. Stephen O. Edwards, Director of Business and Operations, provided the following information to the Board:

1. Grounds Maintenance Bids – Field Maintenance proposals were received from three vendors and opened Friday, March 11, 2011. The three bidding firms were: RSG Landscaping & Lawn Care, Wilborn's Lawn Service, and Matthew C. English Bobcat & Backhoe. The lowest annual price of $19,305.00, or $1,608.75 per month, was submitted by RSG Landscaping. The proposals include mowing, annual over-seeding and aeration, semi-annual weed control, minor turf repairs, and irrigation system winterization, spring start-up, monthly inspection, and monitoring. It was recommended to contract with RSG Landscaping in the amount of $4,826.25 for the period April through June 2011, and for $19,305.00 for the period July 1, 2011 through June 30, 2012. (See Attachment # 11) A lengthy discussion of the condition of fields, particularly the practice field, followed the presentation of grounds maintenance bids. Mr. Edwards noted consideration could be given to hiring an additional maintenance

employee whose primary responsibility would be grounds maintenance with other assignments when lawn care is not required. Licensing for pesticide and herbicide handling would also be necessary. He noted the school division would need to purchase additional equipment that would be durable enough to mow the large areas required.

2. Radio Bids - The FCC is mandating narrow band radios be purchased to replace our current broad band radios. Various systems have been investigated and $120,000.00 has been budgeted. It is important that the new radios be compatible with the radio system utilized by the Town of Appomattox which would be extremely beneficial during emergency situations. If sufficient funds are available, we hope to purchase the radios before the end of the current fiscal year. If not, we will purchase them next year.

3. PPEA – The PPEA Committee has reviewed the plans, drawings, and proposals with J. E. Jamerson and Sons, Inc. and Mr. Bill Gillespie, PPEA Manager. Recommendations have been made and submitted to the contractor and architect. The next committee meeting will be Thursday, March 31, 2011. Mr. Gillespie is developing the comprehensive agreement. Construction is planned to begin, June 7, 2011, at 1:35 p.m. as the last school bus leaves for the beginning of summer break. A Public Hearing is required and requested to be conducted in conjunction with the April 28, 2011 Regular Monthly School Board Meeting. Following the Public Hearing, the Board will be requested to approve the proposal as recommended by the PPEA Committee as well as the comprehensive agreement. J. E. Jamerson and Sons, Inc. continue to move forward, recognizing they are doing so at this point at their own risk. Dr. Grasty remarked the contractor met with primary school faculty earlier in the day and learned 99% of the faculty recommendations had been incorporated into the J. E. Jamerson and Sons plan.

4. Stipends and Coaches Pay Scale – Mr. Edwards, Mr. Perrow, and Mr. McMillan have met and discussed several processes to correct the issues created by the federal mandated minimum wage increase during the past few years. It is anticipated the adjustments will not be in place to rectify the existing differences before the end of the current school year. It is anticipated this will cost an additional $25,000.00 to $50,000.00.

5. Stimulus Funded ACHS ADA Renovations – Mr. Edwards shared pictures of the current ADA stimulus funded renovations being conducted at the high school.

Budget Update

Mr. Edwards shared the following budget documents with the Members of the Board:

1. Projected State Payments Based on the 2011 General Assembly's Adopted Amendments to HB 1500/SB 800 (See Attachment # 12)
2. What the FY 2012 Appomattox County Public Schools Budget Includes (See Attachment # 13)
3. Expenditures: 2011-2012 Budget (See Attachment # 14)
4. Revenues: 2011-2012 Budget (See Attachment # 15)
5. School Food Budget 2011-2012 (See Attachment # 16)
6. 2011-2012 Budget Variables (See Attachment # 17)
7. Fiscal Year 2012 Appomattox County Public Schools Budget Request (See Attachment # 18)
8. How We Would Rank – Percentage Above RLE – If We Get the $5.005 Million Local Match (See Attachment # 19)
9. Appomattox County Schools FY 12 Budget – Why We Are Asking for More Than State Mandated Required Local Match (See Attachment # 20)

Mrs. Garrett requested a comparison of meal charges from surrounding school divisions be provided to the Board. Mr. Edwards stated he would gather this information.

Dr. Grasty recommended approval of the 2011-2012 School Budget in the amount of $20,085,535.48 and a local effort of $5,005,272.75. This recommendation includes the following:

1. Virginia Retirement System cost increases
2. Health insurance premium increases
3. Continuing K-3 Class Size Reduction
4. Reinstating At-Risk Program
5. Reinstating Virginia Preschool Initiative Program
6. Reinstating Early Reading Intervention Program
7. Reinstating SOL Algebra Readiness Program
8. Purchasing Federal Communications Commission mandated narrow band radio system
9. Purchasing three new school buses
10. Protecting our dedicated staff who have had paychecks shrink over the past three years by providing one normal step adjustment
11. Reinstating middle school sports
12. Increasing fuel costs

Dr. Grasty further stated $4,095,036.00 was received from the locality for the current 2010-2011 School Budget; however, $200,000.00 was moved from the School Textbook Fund and $94,000.00 was moved from the Capital Improvement Projects Fund which actually resulted in $3,801,036.00 from the locality. Dr. Grasty noted if the county does provide $5,005,272.75 in local funding for 2011-2012, this will put the school division at 35% above the Required Local Effort (RLE) rather than at our current 1.66% above RLE which is 135 out of 136 school divisions. The superintendent stressed the importance of including the step increase in the budget and stated employees need and deserve much more, but the feasibility of more is not likely.

Mrs. Garrett thanked Dr. Grasty and Mr. Edwards for their detailed budget information. She pointed out we have great intentions to provide for our staff, but unfortunately the approved county funding will determine what actually becomes reality. Dr. Grasty noted if we do not receive the requested county funding cuts will have to be made which will be devastating since last year over twenty positions were cut and six employees were dismissed through reduction in force.

Report on AES Watch Dogs Program

Mr. Tom Yarber, Principal of Appomattox Elementary School, provided a report on the Watch D.O.G.S. (Dads of Great Students) Program that has been launched at AES this year. It is a national program sponsored by the SCA and led by Mr. Jason Wells and Mrs. Katie McCann. Dads volunteer to spend a day or a portion of a day supporting school safety, a positive environment, and student learning. Mr. Yarber was pleased to report ten Dads currently volunteer on a regular basis.

Swipe Technology Presentation

Mr. Brette A. Arbogast, Director of Technology and CTE, presented information concerning Swipe Technology which was recently implemented at the high school on a trial basis to track student attendance. (See Attachment # 21) The new system will receive television coverage from WSET – Channel 13 within the next week. Dr. Grasty stated the ultimate purpose of the Swipe system is to improve the safety and security of our students at the high school.

Report on High School Security Walk-Through

Mr. Arbogast reported on the recent high school security walk-through which familiarized new members of the Sheriff's Department with the building as well as identified safety areas needing improvement. He stated maintaining an open communication system with the Sheriff's Department is an added advantage of conducting the school security walk-throughs.

Update on Federal Erate

Mr. Arbogast noted our school system receives Erate dollars, or federal funding, for expenses such as telephones, Internet, and fiber connection. Our current federal Erate amount is 74%. He stated we own the fiber connection to the high school and next year plan to place our own fiber connection to the School Bus Shop. He also noted our Internet bandwidth space has been doubled.

Discussion of Spring Break Schedule

Spring break is scheduled the week of April 18 – 22, 2011. The 2010-2011 ACPS Employee Calendar designates Wednesday, April 20, and Thursday, April 21, as work days for twelve month employees. It is customary for twelve month employees to use vacation days on these scheduled work days if they so choose which may result in the school offices and central office being closed for business on these days.

Employee Recognition Banquet

The Annual Employee Recognition Banquet will be held Tuesday, May 31, 2011 at the Appomattox Community Center at 6:00 p.m. Board Members were requested to place this date on their calendars.

Discussion of April 28, 2011 Tour of School Facilities

Board Members were provided a draft of the April 28, 2011 school facilities tour schedule. Rev. Williams requested the group have lunch in one of the school cafeterias rather than in the high school culinary arts department. It was the consensus the group will eat lunch in the high school cafeteria.

ACTION ITEMS

Consideration of Approval of First Reading of Revised Policies

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the first reading of the following revised policies as presented and recommended by the superintendent:

BCF	-	Advisory Committees to the School Board
CLA	-	Reporting Acts of Violence and Substance Abuse
DJF	-	Purchasing Procedures
GBEA	-	Unlawful Manufacture, Distribution, Dispensing, Possession or Use of a Controlled Substance

GCN	-	Evaluation of Professional Staff
IGBB	-	Programs for Gifted Students
IKEB	-	Acceleration
JHH	-	Suicide Prevention
KKA	-	Service Animals in Public Schools

By unanimous voice vote, the first reading was approved. The Board will conduct the second reading and adoption at the April 28, 2011 meeting.

Consideration of Approval of Out-of-County Tuition Rates

It was moved by Mrs. Martin and seconded by Rev. Williams to change the out-of-county tuition rate for the 2011-2012 school year to $750.00. The exception would be currently approved out-of-county tuition students who will be juniors or seniors in 2011-2012. These students would be charged $500.00. By unanimous voice vote, the motion was approved.

Consideration of Approval of Grounds Maintenance Contract

It was moved by Rev. Williams and seconded by Mr. Waddell to approve the grounds maintenance contract with RSG Landscaping in the amount of $4,826.25 for the period April 1, 2011 through June 30, 2011, and for $19,305.00 for the period July 1, 2011 through June 30, 2012 as recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 22)

Consideration of Approval of Request by the Appomattox County Extension Office

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve the request by the Appomattox County Extension Office for school buses to transport 4-H members to and from Holiday Lake 4-H Center on July 4 and 8, 2011 as recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachment # 23)

Consideration of Approval of Overnight Trips

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve overnight trips as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 24 and # 25)

Consideration of Approval of Conducting Public Hearing in Conjunction with the April 28, 2011 Regular Monthly Business Meeting

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve conducting a public hearing to receive comments regarding the Public-Private Education Facilities Infrastructure Act (PPEA) Proposals for Appomattox Primary School in conjunction with the April 28, 2011 Regular Monthly Business Meeting as recommended by the superintendent. By unanimous voice vote, the motion was approved.

Consideration of Approval of 2011-2012 School Budget

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the 2011-2012 School Budget in the amount of $20,085,535.48 which includes a local match of $5,005,272.75 and the 2011-2012 School Food Budget in the amount of $1,066,746.00 as presented and recommended by the superintendent. By unanimous voice vote, the motion was approved. (See Attachments # 26, # 27, and # 28)

UNFINISHED BUSINESS

There was no unfinished business to come before the Board at this time.

NEW BUSINESS

There were no items of new business.

FINANCIAL REPORTS

The superintendent provided Board Members with the monthly financial report dated February 28, 2011 and a supplemental appropriation recently approved by the Appomattox County Board of Supervisors. (See Attachments # 29 and # 30)

APPROVAL OF BILLS

Mrs. Martin moved the following bills be approved for payment as presented and recommended by the superintendent:

1. $601,229.80 – General Fund (See Attachment # 31)
2. $ 46,024.39 – School Food Fund (See Attachment # 32)
3. $ 1,270.50 – School Textbook Fund (See Attachment # 33)
4. $ 4,240.77 – General Fund End-of-Month (See Attachment # 34)
5. $ 84.37 – School Food End-of-Month (See Attachment # 35)

Mr. Waddell seconded the motion with all members approving the payment of bills as indicated by voice vote.

PUBLIC REQUESTS TO COMMENT – NON-AGENDA ITEMS

The following individuals addressed the Board concerning non-agenda items:

1. Mrs. Mary Marshall informed the Board that Mr. Lanny Lambdin had recently retired as CenVaServ Director of the Regional Virginia Education Association (VEA) Office. Mr. Fred Glover has been hired to fill this vacancy. Mr. Glover was in attendance earlier during the meeting, but received a phone call and needed to leave before being able to be introduced to the Board.

2. Rev. Matt Davis, Pastor of Liberty Chapel Baptist Church in Appomattox, is working with coaches and student athletes at Appomattox County High School to form a Fellowship of Christian Athletes (FCA). They have been given the opportunity to partner with Faith Force Ministries--Breaking the Barriers who will be conducting a three night crusade, April 29, 30, and May 1, 2011 at the high school. A facility use request has been completed and Rev. Davis requested the facility use fees be waived for this activity that is co-sponsored by Liberty Chapel Baptist Church and FCA. (See Attachment # 36)

Mrs. Garrett thanked both speakers and stated the request from Rev. Davis would be placed on a future agenda as an action item.

NEXT MEETINGS

A Joint Meeting with the Appomattox County Board of Supervisors will be held Tuesday, March 29, 2011 at 5:30 p.m. The next Interim Meeting will be Thursday, April 14, 2011 at 5:30 p.m. and the next Regular Monthly Business Meeting will be held Thursday, April 28, 2011 at 3:30 p.m. in conjunction with a Public Hearing to Receive Comments Regarding Public-Private Education Facilities Infrastructure Act (PPEA) Proposals for Appomattox Primary School. All of the meetings will be held in the School Administration Building at 316 Court Street in Appomattox, Virginia.

INTERVIEW INTERIM SCHOOL BOARD MEMBER APPLICANTS

Mrs. Garrett stated two applicants had applied for the Interim School Board Member position representing the Courthouse District to fill the vacancy created by the recent death of Mr. R. W. “Bobby” Mitchell. She requested Mr. Ronald

Lankford and Mr. Gregory Smith come forward and be seated in front of the board meeting table.

Dr. Grasty clarified the new Board Member would need to take the Oath of Office on March 25, 2011 and the length of office would continue through Election Day on November 8, 2011. The School Board Member elected from the Courthouse District on November 8, 2011 will assume office upon taking the Oath of Office which could be as early as the next day, November 9, 2011. The superintendent stated this information had been verified with Mr. David Hawkins, School Board Attorney, and Mrs. Sabrina Smith, Appomattox County Registrar.

Mrs. Garrett thanked Mr. Lankford and Mr. Smith for their interest. She stated the same questions would be asked of each candidate and requested they draw a number from the basket provided to determine who would receive the first question. Mr. Lankford drew the lower number and received the first question. The following questions were asked of each applicant:

1. Why do you wish to become a member of the Appomattox County School Board?
2. What special experiences, talents, or skills would you bring to the School Board?
3. Tell us about leadership positions you have held in the community.
4. What knowledge do you have about our schools? How did you gain that knowledge?
5. What are one or two specific strengths of the schools and the school division?
6. What are one or two specific areas of concern that you would suggest need additional attention from the School Board and school administration?
7. Recent data from the Virginia Department of Education indicates for the 2010-2011 school year Appomattox is the lowest (136 out of 136) for required local effort per pupil. How do you react to this? What suggestions do you have to increase required local effort per pupil?
8. If selected, do you plan to run for office in November?

Upon conclusion of the questions listed, the Chairman provided Board Members the opportunity to ask any additional questions. No additional questions were offered.

Mrs. Garrett thanked both candidates for taking the time to attend the meeting and for answering the questions presented. Both candidates were allowed to make a closing statement. Mr. Smith drew the lowest number and provided his closing statement first, followed by Mr. Lankford. Mrs. Garrett invited both gentlemen to remain in the lobby during closed session. She stated they

would be invited to return when the Board resumed open session for the forthcoming approval of an Interim Board Member.

CLOSED SESSION

Adjourn to Closed Session

Mr. Waddell moved the Board convene in closed meeting for the following purposes:

1. Discussion of personnel matters relating to the resignation and assignment for specific employees of the School Board, pursuant to Section 2.2-3711(A) 1 of the Code of Virginia 1950, as amended, in particular for review of the personnel report and employees #128, #465, #179, #297, and #391 and discussion of candidates for the interim School Board position.

2. Discussion of student disciplinary and other matters concerning students in the school division, pursuant to Section 2.2-3711 (A) 2 of the Code of Virginia 1950, as amended, specifically the monthly school discipline reports and student # 50302.

Rev. Williams seconded the motion made by Mr. Waddell. By unanimous voice vote, the motion was approved.

Closed Session

After completing the business related to personnel and student disciplinary matters, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mrs. Martin to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in

the meeting by the public body. Mr. Waddell made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 37)

APPROVAL OF PERSONNEL MATTERS:

It was moved by Mr. Waddell and seconded by Rev. Williams to approve the personnel report as amended and as recommended by the superintendent, pending the results of background checks. By unanimous voice vote, the motion was approved. Personnel were approved as follow:

APPROVAL OF SUPERINTENDENT'S CONTRACT:

It was moved by Mr. Waddell and seconded by Rev. Williams to approve renewing Dr. Dorinda Grasty's contract as superintendent of Appomattox County Public Schools for the time period July 1, 2011 through June 30, 2014. By unanimous voice vote, the motion was approved.

APPROVAL OF STUDENT MATTERS:

Student Number 50302:

It was moved by Mr. Waddell and seconded by Mrs. Martin to approve Student Number 50302 pursue a mental health assessment through the Family Assessment and Planning Team (FAPT) and pursue credit recovery through the APEX on-line system for the remainder of the 2010-2011 school year. By unanimous voice vote, the motion was approved.

APPROVAL OF INTERIM SCHOOL BOARD MEMBER:

Mr. Waddell nominated Gregory A. Smith be appointed the Interim School Board Member for the Courthouse District. Mrs. Martin provided a second. The Chairman called for a roll call vote and noted three yes votes would confirm the nomination. Mrs. Martin, Mr. Waddell, and Mrs. Garrett voted in favor of the nomination and Mrs. Garrett declared Mr. Gregory A. Smith the Interim School Board Member for the Courthouse District.

ADJOURNMENT

There being no further business, Rev. Williams moved the meeting be adjourned with a second from Mr. Waddell. A unanimous voice vote of approval was recorded.

CERTIFICATION OF CLOSED MEETING

MOTION: Mr. Waddell moved to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body.

MOTION: Mrs. Martin seconded the motion.

WHEREAS, the Appomattox County School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.1-344.1(D) of the Code of Virginia requires a certification by the School Board that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED the Appomattox County School Board hereby certifies, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification applies, and (ii) only such business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered.

Mr. Edwards shared information concerning revenues and expenditures included in the proposed 2011-2012 School Budget.

Dr. Grasty asked when the county would conduct their Public Hearing concerning the budget. Mrs. Ferguson stated they did not know that date at this time.

CAPITAL IMPROVEMENT PROJECTS (CIP)

Appomattox Primary School PPEA Project

Mr. Edwards reported the PPEA Committee continues to meet on a regular basis to prepare for the upcoming renovations at Appomattox Primary School. A consultant has been hired and the committee has recommended the School Board pursue a proposal submitted by J. E. Jamerson and Sons, Inc. J. E. Jamerson and Sons, Inc. has been on site, at their own risk, conducting site survey work in order to meet the preferred construction timeline. Construction is scheduled to begin June 7, 2011, the final day for students, after the last bus leaves the school grounds at 1:35 p.m. Mr. Edwards stated a contract agreement is being developed and a Public Hearing is scheduled April 28, 2011 in conjunction with the regular monthly business meeting of the School Board.

Stimulus Funded ACHS ADA Renovations

Mr. Edwards stated bids for the Stimulus Funded Appomattox County High School ADA renovation project were received approximately one month ago. The low bid was received from J. E. Jamerson and Sons, Inc. which was accepted by the School Board. Work has begun on the project.

DISCUSSION BY BOARD MEMBERS

Following the superintendent's presentation, Mrs. Garrett called for questions and comments from the members of both boards. The response follows:

1. Mr. Craft thanked everyone for attending the meeting. He also thanked Dr. Grasty for the information she presented.

2. Mrs. Martin noted the one Four Year Old Class reinstated at the primary school during second semester of the 2010-2011 school year was funded by Federal Stimulus Money.

3. Mr. Tanner emphasized the need for the Boards to work together. The report from Dr. Grasty indicated decreased federal and state funding which equates to increased local funding. If the School Board request is fully funded our tax rate will increase 9 cents per $100 and it is currently at 48 cents. We've got to take a realistic look at the school's request and take into account the effort we're making at the primary school to upgrade those facilities. He noted the Supervisors are stewards of all citizens' tax dollars and we must work together and avoid taxing people out of their property.

4. Mr. Small stated we want to do everything we can for the schools; but we've got to weigh what the county can pay. Mr. Tanner has already indicated that fully funding the School Budget request will increase taxes by 9 cents. The water line will cost an additional 2 1/2 cents and the primary school an extra 6 cents. At some point we must stop. We're taxing ourselves out of bringing any new industry into the county. The closing of Thomasville is leaving 200 people out of jobs. I don't see any increase in county revenue over the next year; what I do see is a decrease. He emphasized we must be very cautious as it is not going to be an easy task.

5. Mr. Carter noted this is probably one of the most important meetings he attends during the calendar year. The school system is the largest employer in the county. The Board of Supervisors have not had a tax increase in three years and we also have not gotten an Economic Director on board. The school system is doing a great job and I hope this year you will be fully funded.

6. Mrs. Garrett thanked Dr. Grasty for her informative Power Point Presentation. She was in agreement with the Board of Supervisors as they stated it is going to take a joint effort to meet the School Budget needs. She impressed upon the group that even though funding has decreased and staff has not had an increase in salary, our student population has increased and we're having to do a whole lot more with a whole lot less. She indicated this has not impacted our student performance as demonstrated by the many successes Dr. Grasty presented. She stated all of our staff are working well beyond the call of duty and asked the Board of Supervisors to provide the full funding match or the very best they possibly can to assist our staff and school division.

7. Mr. Conrad stated the Board of Supervisors attended a convention at the Homestead in November, 2010 where the following information was received concerning Virginia:
   - 12th largest state in the nation in population
   - 7th in per capita income in the nation
   - 39th per capita in state taxes in the nation
   - 19th in state and local funding per pupil

This indicates we are working very hard to support schools, but at the same time we cannot be over demanding of tax payers. We are going through unprecedented times and no one is trying to shortchange anyone. We are compelled to listen to each and every side of the story and we will do the very best we can. We have 14,000 citizens in the county who will also share their concerns. Their needs are just as important.

8. Rev. Williams stated he liked the figures Mr. Conrad shared and noted particular interest in the statement that indicated Virginia is 19th in the nation in state and local funding per pupil. Rev. Williams also noted Dr. Grasty's information indicated the average in the state is 80% above the required local match. If every county in the state funded at 4% above, Virginia would not rank 19th in the nation in state and local per pupil funding.

9. Mr. Conrad emphasized we are looking to grow the tax base in this county but we cannot compete with Northern Virginia. The per capita income in the county is approximately $21,000.00. Most of us at this table have had children go through this school system and they received a decent education. We certainly had a problem with underfunding last year and we're looking at a major problem this year. The school division has done a great job in spite of the shortfalls.

10. Mr. Smith asked "How long are we going to be last?"

11. Mr. Conrad noted Mr. Smith raised a good question. He also noted the Board of Supervisors are the ones to collect revenue.

12. Mr. Smith shared information he read on the Internet dated March 1, 2011 concerning a study which stated many Virginia households lack financial security and noted there is a growing pattern of inequality in the well educated. He noted he wants our children to be well educated and to succeed. He shared his understanding of the difficult job of the Board of Supervisors but stated if we don't spend money in the school system now we might as well earmark the funds for the Juvenile Justice System.

13. Mr. Waddell stated his appreciation for the opportunity to conduct the meeting and work together. He encouraged members of the Board of Supervisors to contact School Board Members or Dr. Grasty with any questions they may have. He was understanding of their difficult job and thanked them for doing all they can to help the school division. He noted the School Board may have an even tougher job when the county's budget decision is received.

14. Mrs. Martin was very appreciative of the Board of Supervisors coming to meet with the School Board and for their interest in our schools.

15. Dr. Grasty complimented the two Boards for meeting and sharing their time and stated we would be glad to meet at any time to answer questions. She also complimented the students and staff in attendance. She noted we have the very best students and staff in the state of Virginia and they do not operate at the bottom of the barrel; we're at the top of the state as far as academics are concerned. Our staff and students deserve accolades.

Mrs. Garrett extended her appreciation to Mr. Craft and the Members of the Board of Supervisors as the two Boards work through the budget process and continue to build their professional relationship.

ACTION

No action was taken at this meeting.

ADJOURNMENT

There being no further business, it was moved by Mrs. Martin and seconded by Mr. Waddell to adjourn the meeting. A unanimous voice vote of approval was received.

VOLUNTEER OF THE MONTH: MAIN STREET BARBER SHOP

The Magic continues at AES with our partnership at Main Street Barber Shop. Beginning on April 15, this local business will donate $1.00 per haircut to our PTO each month. Each person must designate that the $1.00 donation go to AES PTO. Thank you for your support of our PTO!

Speaking of PTO, thank you to all our parents and students who sold cookie dough for our most recent fundraiser. The results are magical!

Thank you to our After-School club volunteers and teachers, our Girls on the Run coaches, and our WATCH D.O.G.S. Dads who are investing their time with our students to succeed. It is an investment for excellence!

Spring Pictures:

AES is excited to once again welcome our Lifetouch photographers back to our school on April 5, 2011. All students will be photographed in an appealing setting on this Tuesday morning. Parents will receive a portrait package with a variety of selections a few weeks after. You are not obligated to buy, just look at them and decide if you want any or all and return the unwanted pictures back to AES in the same envelope if you do not wish to purchase them. Each package will have a barcode to determine what is sold and returned. Please make sure you return money and/or portraits promptly.

Each class will also take a group picture on this day. These pictures are prepaid and will cost $11.00 each. Please fill out the form that your child received in March and return with your student on our picture day, April 5th. Please make sure you fill out all information on the order form. Make checks payable to ***LIFETOUCH.***

Please note on the form for the class picture are the pose options for the individual portraits. Please return the pose option with your student on picture day. April 5th is the only day that we will take Spring pictures. We will not have a make-up day. Make sure you are at school and bring your smiles!

MAGICAL ART STROKES:

The following Appomattox Elementary students have art work on display in the Longwood Center for the Visual Arts 2011 "Start with Art: Learn for Life: Annual Area Youth Art Month Exhibition" Monday, March 28-Saturday, April 30, 2011. An opening reception was held on Sunday, March 27, 2011 at the LCVA on W. Third and Main Streets in Farmville, Virginia. This year 40 different schools from 10 different counties will be participating in the exhibition. Participants, parents, teachers, administrators and school board members are invited to attend.

Grade 5: Devon Graves, Maddy Anderson, Kayla Garrison, Aaron Mayes, Hayley Miller, Devin Mayo, Jessica Noe, Logan Marquis.

Grade 4: Madelyn Driskill, Abby Ranson, Olivia Hix, Alexis Baublitz, John Conner, Ilyana Servis, Bryant Tolley, Bethany Wilbun, Makayla Trent.

Grade 3: Justice Wright, Lexi Wells, Jasmine Almond, Anne Armstrong, William Donghia, Trevor Hatcher, Shaunquitta Wright, Hope Shaw.

Youth Art Month:

In order to celebrate Youth Art Month, the following students have had their artwork on display at the Appomattox County Public School Board Office during the Month:

Grade 5: Kaylin Eagle, Justin Robins, Kayla Garrison, Ryan Sayer, Baylee Reynolds, Philip McRae, Imran Heard, Trey James.

Grade 4: Olivia Hix, Alie Carrico, Elizabeth Moore, Cortney Rawes, Hallie Drinkard, Rakeem Wright.

Grade 3: Shelby Marcellino, Anne Armstrong, Amanda Applewhite, Jasmine Almond, Annabelle Paulette, Adam Dillon, Trevor Hatcher.

NOTES FROM PE:

We again want to say thanks to all the students who participated in Jump Rope for Heart this year. Any student who raised enough money to earn a prize from the American Heart Association should receive those by mid-April. Prizes will be delivered to each student's classroom.

AES Field Day is scheduled for Friday, May 27th! We will need your help again this year to help make this day a success and a lot of fun for the students! Look for more information in the May newsletter and a volunteer sign-up form. Please mark your calendars now and plan on being a part of your child's Field Day experience.

20 Ways to Stay Fit & Healthy All Year

1. Be physically active 30 minutes or more each day.
2. Take walks after dinner.
3. Dance to your favorite music.
4. Choose snacks low in sugar and fat.
5. Stretch your arms, legs, back, and shoulders each day.
6. Walk or ride your bicycle wherever you can safely.
7. Get plenty of sleep.
8. Eat lots of fruits & veggies.
9. Play sports like basketball, tennis, or soccer.
10. Wear the right safety gear for every activity.
11. Do pull-ups and push-ups each day.
12. Drink low-fat milk instead of soda.
13. Play games outside with your family.
14. Wear a hat when you go outdoors & use sunscreen.

15. Have a nutritious breakfast every morning.
16. Stay away from alcohol, tobacco, & other drugs.
17. Remember to sit & stand up straight.
18. Drink plenty of water.
19. Get up and do jumping jacks during TV commercials.
20. Put down those video games – go outside & play!

Tips for Helping Your Child Study:

Students often have difficulty studying class and test materials at home. Parents can help their child to complete homework and study effectively by providing a consistent homework routine. These are a few tips for providing consistency for your child when completing their daily homework assignments.

1. Turn off the TV set.
2. Designate specific areas for homework and studying.
3. Complete homework at the same time each day.
4. Organize study and homework projects.
5. Help your child to feel confident for tests.

NEWS FROM COMPASS MATH:

All of our students have just finished their units in fractions. I will continue to practice some fractions with them as we spiral back to prepare for the SOL's.
I spent last week spiraling back and practicing long division and multiplying 2 digits by 2 digits with the 4th graders.

All three grades are working with decimals, then we will be working with measurement. 5th graders will be working with elapsed time.

Please continue to practice math facts at home. The faster the students are with their facts, the better they understand each new math unit and the higher their math grade will be for each unit.
Understanding each new math concept leads to mastery of all math skills.

Use the following web sites to enhance their understanding of math:

3rd Grade News:

Land ho! Our 21st century explorers from Grade 3 AES are busy getting ready for their futures. Reading biographies about old –time explorers; writing paragraphs with good, modern-day spellings; working as teams throughout their lessons; using math that Columbus would know are all just some of the elements bringing our 3rd graders to shore!

4th Grade News:

We appreciate the opportunity to teach your child various skills in school. Thank you for being a part of your child's education by reinforcing the skills at home. Listed below are several suggestions to help during April.

4th Grade Language Arts- Oral Communication
Play a game of Charades to help with oral directions.

Demonstrate how to use a compass to find a location.

4th Grade Reading

Listen to your child read and ask questions about the story after every couple of pages.

Read to your child and ask them questions about the story.

Spend time in the local library together.

4th Grade Writing
Encourage your child to write in a journal each night about their day.

Listen to them read sentences they have written to check for a complete thought.

Check every sentence for accurate punctuation and capitalization.

4th Grade Math- Measurement
Use a variety of objects around your home. Estimate the weight/mass of the objects in both customary and metric units. Discuss which is the most appropriate unit.

Use your bathroom scale to find the weight of an object in pounds. Divide the weight by 2 to approximate the mass in kilograms.

Use a ruler, yardstick, meter stick, or tape measure to measure the lengths of objects. Make sure that you measure a variety of objects and use parts of an inch for small objects.

Estimate the liquid volume of a variety of containers around your home in both U.S. Customary and metric units.

Use a measuring cup or other labeled container to check your estimates. For example, you have a bucket and you estimate that the bucket will hold 8 liters of water. You can use an empty 2-liter soda bottle to measure the amount of liquid the bucket will actually hold.

Measure volume of containers using rice, sand, water, flour, sugar, etc.

Involve students in cooking and measuring amounts for recipes.

Discuss the relationship between a quart and a liter whenever possible such as buying soda (2-liter bottles) and orange juice (2 quart container). Also when pumping gas, a gallon of gas would be about how many liters of gas? (about 4)

4th Grade Social Studies- 20th & 21st Century Virginia
Locate books in the public library on the topic.

Share your memories of Virginia during this time.

Have child research twentieth-century Virginia from the following Web sites:
***"Twentieth Century" at
http://www.lva.virginia.gov/exhibits/political/twentieth.htm
***"Electrification" at

5th Grade News:

Virginia Beach? What – We, 5th grade students, will be going on a Field Trip, April 29, to the Virginia Aquarium and Marine Science Center. We are very excited to have this privilege to go and see seals, turtles, sharks, blue crabs and many more sea animals at the aquarium. We are also looking forward to taking a boat ride out into the Atlantic Ocean to see dolphins. What a fabulous trip and thanks to the School Board, Mr. Yarber and our teachers for allowing us to go on this trip.

Back at school, we will be looking at Geometry in Math and we are still reading some very interesting books in Reading class. In Science, we will be studying parts of a plant and photosynthesis. Our Writing SOL test was very successful, and we are excited to be working on our Treasure Books.

We can't wait to see what May holds in store for us!

"Riding the Wave to Success at APS"

April 2011

Principal's/AssistantPrincipal's Message…

Appomattox Primary School is "Riding the Wave to Success." We love that our students are able to enjoy the warmer weather both during recess and in the evenings at home. Thank you for helping them stay on track for the rest of the school year by checking homework and making sure they get a good night's sleep.

As always, if we may be of assistance to you, please contact us:

Employee of the Month:

Congratulations to Mary Mason. She is a Title I (remedial) reading teacher. She works with students and teachers alike to ensure the success of our students. Thank you, Mrs. Mason, for all you do for the students of APS.

Jump Rope for Heart:

Thank you so much for your support. The total collected for Jump Rope for Heart is $3,229.00. Top fundraisers were Anna and Allysa Inzeo in kindergarten, Chandler O'Rourke in first grade, and Sarah Mewborn in second grade. Winning the Pizza Party are Mrs. Allen's class, Mrs. Chavis' class, and Mrs. Royal's class. Thank you again for all of your support!

Summer School:

APS is offering a half-day summer remedial program during the month of July. The summer school program will offer concentrated reading instruction in a small group setting to invited students. Transportation to central pick-up/drop-off points within the county will be provided. Parents may wish to reserve July if their child is experiencing difficulty in reading and/or at risk of repeating the present grade. Letters went out on March 28, 2011 for students who are invited to summer school.

Field Day 2011:

Field Day 2011 has been scheduled for May 20. This is an all day fun event for our students and we would appreciate your support. Mrs. Dickerson has sent out a letter requesting help with the Relay Races and we hope you are planning to come out and help. Won't you please plan to join us at APS on Friday, May 20, 2011 for another fun Field Day?

Main Street Barbershop and APS:

During the months of February, March, April, and May, please note...
Any student of Appomattox Primary School, parent of that child, and/or faculty/staff member of APS who gets a haircut at Main Street Barbershop will have $1 of the cost of the haircut donated to APS. The barber must be informed prior to the service. There is also an opportunity to participate in a drawing being held by the barbershop.
Any questions should be directed to Main Street Barbershop at 434-546-3093.
Address: 195 Main Street

Food Drive:

We will not be holding our annual spring food drive this year. We will, however, be supporting the county-wide effort to collect food for our neighbors. If you have any spare non-perishable food items, please send them in to our school. There is a bin to collect the food outside of our cafeteria in the main hall.

Kindergarten Orientation:

Our yearly kindergarten orientation meeting is coming up, Monday, May 10th @ 7:00. If you have an incoming kindergartener, we welcome you to come in and listen to our newest information. Please let any first time kindergarten parents in the district know about this meeting.

Reminders and Helpful Tips:

- **If you have given us a new phone number, it is updated in Powerschool daily. However, it may take up to a month for the update to be reflected in Global Connect, as that is a monthly update.**
- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with walker's bell and sign them out in the cafeteria. Dismissal time can be very hectic, and it will help us out a great deal to have those students signed out in the cafeteria instead of being called from the office.**
- **If you are dropping off students in the morning, please do not do so until after 8:00. Supervision is not provided until that time.**
- **The Visitor parking lot is not a drop-off area. If you are not walking your child in, then please use the Armstrong Lane entrance.**
- **If you are transporting your child to school and it is after 8:25, please do not drop off on the Thomasville side. Those doors are locked at that time. Please park and bring your student into the building, using the front entrance.**
- **We are unable to take bus/transportation changes over the phone. <u>We are unable to "hold" students until you arrive.</u>**
- **Car riders must be picked up by 3:10.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**

Homework Tips

Parents have a strong influence on their child's success in school. By supporting and praising your child's academic efforts and creating an atmosphere at home that encourages learning and doing homework, you can help your child do well in school. Children have a wide range of approaches to doing homework. The following hints can be adapted to your child's homework style and pace.

- Respect your child's need to "recharge" after school before starting homework. Some children want to have a snack, whereas others prefer to draw, do something physically active, play with a friend, read, listen to music, or watch a videotape.
- Establish a regular time and place to begin homework.
- Make family activities that precede or follow homework — such as playing a game, cooking, or making crafts — a regular part of the homework routine. Shared activities assure the child that she will have time with parents, making it less likely that she will seek their attention while she is doing her homework.
- During homework time, make sure siblings are not engaged in distracting activities (e.g., playing computer or video games, watching television).
- Recognize that an occasional break from steady concentration on homework helps some children stay on task.
- Be available to interpret assignments and questions, explain the meaning of unfamiliar words, review spelling or multiplication tables, or otherwise assist your child with his homework.
- Discuss topics for "show and tell," and preview talks that your child is preparing. If your child asks you for ideas for a presentation or project, try to build on her interests. Support her ideas even if she decides not to accept your suggestions.
- Parents' approaches to doing their own "homework" can serve as positive examples for their child. For example, do your own work reports, reading, bill paying or letter writing while your child is doing his homework. This will demonstrate to your child the importance of responsibly completing work, while allowing her to enjoy your presence and turn to you with questions about her assignments if necessary.
- Help your child develop good organizational skills, such as keeping an assignment book and placing completed homework in a book bag ready to be taken to school each day.
- Comment on the schoolwork your child brings home, posting it on the refrigerator door, proudly telling other people about your child's accomplishments, and praising your child for her effort and success.

Keeping Your Young Children Safe

Parents always worry about the safety of their children, but you'll have greater peace of mind if you follow these suggestions.

- Make sure your children memorize their full names, address (including city and state), and phone number with area code.
- Using a play phone, teach children when and how to dial 911 or 0 and also show them how to operate a pay phone.
- Explain to your children that they should never accept gifts or rides from people they don't know well.
- Teach your children to go to a store clerk, security officer or police officer if they ever get lost in a store or mall or on the street.
- Set a good example by locking doors and windows and checking to see who it is before opening a door.
- Listen to what your children say about their fears and help them understand them and trust their instincts.

Safety at School and at Play

Here are some tips that will help keep children safe when they are away from home.

- Encourage them to stick with their friends rather than walking or playing alone.
- Teach them how to spot dangerous places, like vacant buildings, alleys, deteriorated playgrounds and parks.
- Explain how taunting, teasing and arguing damage friendships and to settle disagreements through talking not fighting.
- Walk routes to school, stores and friends' houses so you can make sure they are safe and point out where they can get help in an emergency.
- Teach your children and teens to be conscious of criminal or suspicious behavior in your neighborhood and to tell an adult when they see such activities.
- Make sure your school has a policy of calling the parents when a child is absent from school.
- If you use daycare or after-school programs, check their credentials carefully, including certifications, staff qualifications, policies regarding field trips and parental visits, and reputation in the community.

Principal's Corner

Spring is upon us and with the beautiful flowers and warm breezes, our students become energized too. We encourage both students and staff to stay focused this time of year and give it their best go for this last 9 weeks.

"Raiders Rock the Test" is our theme this spring as we know all students want to achieve excellence. Our students are all capable of shining bright as we showcase their many abilities!

We want to thank our PTO Executive Team for working with us this year. Dewitt Goin, PTO President, and Sheila Roach, PTO Vice President are both eager to work with the middle school staff and team of wonderful AMS parents. Our last project of the year is a spring fundraiser.; more details are coming.

We appreciate the many ways our parents support AMS through registering their Kroger and Target Cards and Box Tops for Education. Please continue to send those Box Tops in.

Main Street Barber Shop is a local business who wants to support the AMS PTO. They are encouraging all students, staff, and family members of our students to stop in for a hair cut. Each person who identifies themselves as part of AMS, will be logged in and Main Street Barber Shop will donate $1.00 per person to the PTO. In addition, each student who receives services can enter into a drawing for a monthly gift certificate.

We appreciate the support of our community and our local businesses. Thank you for being part of the AMS Team!!

GUIDANCE NEWS

ASPIRING MEDICAL PROFESSIONALS @ AMS VISIT CENTRA HEALTH

On February 16, 2011, twenty-four Appomattox Middle School students loaded the bus and headed to Lynchburg General School of Nursing for a Practical Look at Nursing (PLAN). Students were given a career interest survey in 7th grade and this tool, along with personal requests, produced a group of interested students. Now, as 8th graders they were able to attend this great hands-on experience of the Nursing profession.

When students arrived at the Lynchburg General School of Nursing they were greeted by Mrs. Renee Scott, Human Resources and Nursing Recruiter for Centra. They were lead down stairs to the meeting room where they were introduced to the Nurses that would be helping them during their time at Centra and it was not long before students were taking the lead. Students were able to attend four different simulation stations: heart, I.V, medical lift, and Mr. Sims.

At the heart station students were taught how the heart pumps blood throughout the body and learned how to identify the arteries, ventricles, and atrium. Students were excited to pull on the medical gloves and inspect a pig's heart. The I.V. station allowed students the opportunity to learn how to correctly insert an I.V. into a prosthetic arm. After setting the I.V. correctly, students were shown how to remove "dirty" gloves to remain sanitary. The Medical lift was a popular station among the students. The medical lift is a device that helps nurses move patients that are immobile to a new position in their bed or chair. Students were able to experience being the nurse and patient at this simulation. The final simulation was Mr. Sims. Mr. Sims is a simulator that performs human behaviors such as: heart beating, raspy breathing, pulse, heart murmurs, and talking. Students at the station were able to listen to the heart beating and identify any irregularities.

The day concluded with students learning how important math and science classes are and they were encouraged to take as much math and science as possible throughout their school career. Students also were informed that there are 250 different careers in the medical field. The aspirations of our Appomattox Middle School students include: pediatrician, physical therapist, OB/GYN, registered nurse, and a surgeon. Students received a Practical Look at Nursing Certification of Completion and were encouraged to attend their medical career camp during the summer. Participates included: Emily Hudson, Amber Boone, Barbara Hargrave, Angel Allen, Destiny Hamlett, Blair Lawson, Chelsey Kinne, Carter Neiswander, Tamara Morgan, Shatonya Carter, McKenzie Oxner, Lauren Fields, Elizabeth Jones, Casey Clark, Sarah Slayton, Brooke Sayre, Mrs. Darlene Cooter, Ebony Moore, Raven Garrett, Ebony Austin, Brittany Ramsey, Keyla Jones, Tiffany Liu, Jasmine Robinson, Madison Gray and not pictured, Ms. Amanda Wodke.

Guidance News

Mr. James met with all 6th and 7th grade students to discuss course offerings for the 2011-2012 school year. Students were instructed to have parents sign the registration form, and return the completed forms to their history teachers. Students completed the registration process the week of March 1st by registering online.

Eighth grade students took the Writing SOL on March 8th and 9th. The Writing SOL consisted of two parts: a multiple choice section and a direct writing section. Students took the multiple choice section on March 8th, and completed SOL testing on March 9th with a direct writing assignment.

Earth Day

Earth day is a day intended to inspire awareness and appreciation for the Earth's natural environment. Earth Day was a day founded by United States Senator Gaylord Nelson (a Senator from Wisconsin) as an environmental teach-in first held on April 22, 1970. While the first day was focused on the United States, an organization launched by Dennis Hayes, who was the original national coordinator in 1970 took it international in 1990 and organized events in 141 nations. Earth Day is now coordinated globally by the Earth Day network and is celebrated in 175 countries every year.

"Girls On Track"

"We've Got Your Back"

"Girls on Track, We've Got Your Back" can be heard in the Appomattox Middle School gym each Monday and Wednesday afternoon as 10 middle school girls gather for a new health and fitness program while building self-esteem. As noted on the Girls on The Run Lynchburg website, Our mission is "to educate and prepare girls for a lifetime of self-respect and healthy living." Girls on the Run, the middle school program, combines training for a 5K (3.1 miles) running event with healthy living education. Our programs instill self-esteem through health education, life skills development, mentoring relationships, and physical training – all of which are accomplished through an active collaboration with girls and their parents, schools, volunteers, staff, and the community.

This spring is the first time AMS has hosted this program and would like to see it continue each season. Coach Amy Martin, parent volunteer, and Mrs. Martha Eagle, AMS Principal, are volunteer coaches while Mrs. Sara Bowles, Mrs. Dana Glover and Mrs. Kristen Harbin, have assisted this spring.

Governor McDonnell's Proclamation- April is Virginia School Library Month

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia, there is hereby officially recognized:

VIRGINIA SCHOOL LIBRARY MONTH

WHEREAS, a strong democracy depends on the ability of its citizens to read and use information to think critically; to develop innovative products, solutions, and services; and to communicate effectively; and

WHEREAS, Virginia's school librarians are critical partners in promoting reading development, fostering curiosity and a love of reading by providing open, non-restrictive access to high quality collections of reading materials to young people of all ages, backgrounds, interests, and academic ability; and

WHEREAS, school library collections throughout the Commonwealth include multiple formats including networked access to subscription databases and other library services, accessed through school networks and from offsite locations; and

WHEREAS, school librarians are essential learning specialists who work with Virginia's classroom teachers to use information resources and technologies to deepen student understanding of core subjects; and

WHEREAS, school librarians provide leadership and staff development for teachers in the use of digital content, including search strategies, evaluation of resources, and use of licensed database resources; and

WHEREAS, school libraries are learning laboratories, where librarians guide students to use information resources and technologies to learn, think critically, create new knowledge, and share what they have learned; and

WHEREAS, twenty years of research studies in nineteen states and one province have demonstrated that strong school library programs are linked with higher student achievement, regardless of the socio-economic status of the community;

NOW, THEREFORE, I, Robert F. McDonnell, do hereby recognize April 2011, as **VIRGINIA SCHOOL LIBRARY MONTH** in our **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of all our citizens.

The students in Mrs. East's and Mrs. Warner's class hosted a breakfast sale for staff on Friday, March 11th. The items offered included breakfast casserole, bagels, toast, apple juice and orange juice. The funds collected are used for functional skills activities and community-based trips for students. The students did a great job of delivering breakfast and collecting payments. The sale was a success, and the staff really enjoyed the breakfast. Our class would like to thank the wonderful staff of Appomattox Middle School who is always willing to lend a hand to help us raise funds.

What's Cooking in Mrs. East's & Mrs. Warner's class?

April is Autism Awareness Month!

Autism is a neurological disorder which now affects as many as 1 out of 110 children - 1 out of 70 in boys - impacting the areas of social skills, communication and behavior. Autism is considered a spectrum disorder because there is such a range - one child with Autism may not be able to talk and another is able to explain difficult concepts. While researchers are working to explain the increase in the number of children with Autism, we don't currently know the cause. Individuals with Autism and their families need support and understanding from their neighbors and other community members. To raise awareness of the impact of Autism, we challenge you to learn more about the Autism spectrum and ask that you support individuals with Autism. Appomattox Middle School students and staff are encouraged to wear blue on April 1st to "Light It Up Blue" in preparation for the World Autism Awareness Day on the 2nd. We will have our own Awareness week from April 11 through April 15 by providing Autism Awareness Ribbons for all staff, and Autism facts will a part of morning announcements. Please support Autism Awareness - wear blue on April 1 and please wear your ribbon April 11 through April 15.

The Light It Up Blue campaign is being promoted by Autism Speaks to encourage Autism Awareness.
From their website:
On the evenings of April 1 and 2, 2011, prominent buildings across North America and the world — including the Empire State Building in New York City and the CN Tower in Toronto, Canada — will turn their lights blue to raise awareness for autism and to commemorate World Autism Awareness Day on Saturday, April 2.
We're aiming to light the world blue all throughout April — city by city, town by town — by taking action to raise autism awareness in our communities.
You can show your support by wearing blue, lighting up your house, or wearing an Autism pin.

St. Patrick's Day @ AMS

On Thursday, March 17, students and teachers displayed their St. Patrick's Day spirit. Students wore as much green as they could find in hopes that their homeroom would win a pizza party. Meanwhile, teachers donned their best leprechaun outfits to celebrate the holiday. Everywhere you turned, you saw a sea of green. We hope everyone enjoyed showing their Irish pride!

~

The winner of the Saint Patrick's Day Green Dress Contest was Mrs. Servis' room with 14.78 articles of green clothing. Mrs. Scott's class came in a close second followed by Mr. Kane's class. Thanks to everyone that participated.

The AMS Raider's Digest newsletter is no longer being distributed to the students to take home, however, they can be viewed online. If you would like a newsletter mailed to your home, please contact Mrs. Nadine Pannell at NRPANNELL@appomattox.k12.va.us.

More Students Earn their G.E.D®

Four more students have earned their G.E.D. If you see Whitney Watson, Ben George, Amanda Bryant, and Emily Leinheiser please congratulate these students on their hard work and effort. These students tested on April 22nd and 23rd and passed with flying colors! This makes for a total of 10 students earning their GED so far in the first year of Appomattox Alternative Education Center being opened. Thank you to all staff involved in encouraging, supporting, and working with these students.

We also would like to congratulate Sharon Jackson for passing the writing and science portion of the GED. She plans to complete the remaining tests; Social Studies, Math and Reading during the next testing session. Other students are studying and working hard to pass their practice tests before they can sit for the official GED. They are studying hard and many have completed the majority of the practice tests and will soon be GED graduates.

Please continue to support and encourage these students; as, hearing the support others give are often times their biggest vote of confidence.

Did you know...

- The GED tests were originally established during the 1940's as a way for military men to obtain their high school diploma after returning from their service in World War II.
- Bill Cosby is a GED graduate was has also received several Grammy and Emmy awards
- Actor Christian Slate had some trouble with the GED Math section. Read about it in the People Magazine Article. (This is a consensus for our students)

STARS Mentoring Program

The STARS mentoring program continues to be successful in encouraging positive relationship among students and helping both the younger and older students develop self-determination skills.

Since our last newsletter letter, STARS have met two more times. In March the students worked together in creating "One-Pagers"; a worksheet designed to get both parties talking and acquainted with each other. They also created shake 'em up bottles. These are bottles filled with colored water, confetti, and glitter. The top is then super glued on and the student can shake, shake, shake!

April 7th, the students loaded the bus and took a trip to the skating rink. Student mentors skated with the mentee to ensure their safety. However, there were many mentees that were able to show up the mentors with their skating abilities. While at the skating rink, all students participated in limbo, electric slide, and the cha-cha slide.

They definitely worked up an appetite for their lunch of pizza, cookies, and juice.

Students are anticipating the month of May as they get to meet twice. May 3rd they are going to the zoo in Amelia and May 26th they will be having an end of the year cookout.

What are the teachers saying about the program?

The STARS program is a wonderful opportunity to build positive relationships between our students. The mentors feel a sense of pride in assisting another student, and their partners enjoy spending time with an older student. I see increased confidence and improved communication skills in my students at AMS. – Catherine East

Nothing makes my day more than seeing big grins on the little faces of the students we are helping. They truly enjoy the STARS program, and our AAEC students are making it happen! - Mrs. Cindy Martin

It's amazing to see our AAEC students transform into caring, positive, and helpful individuals when their mentees come over. The roughest, toughest student becomes a caring, supportive student towards their mentee. They truly care about their mentee. It's so great to see this interaction.—Ms. Amanda Wodke

I think that the STARS mentoring program has been truly beneficial for all of the students involved. The students have developed and enhanced choice making skills, self-advocacy skills, and self-awareness skills through building positive relationships with other students in the program. Students at AAEC are very excited about the STARS program, and the only complaint I have heard is that the program does not meet more often.— Mrs. Jill McDonough

STARS is an excellent program that instills self-determination skills and builds positive relationships among everyone involved. My students love to participate in the STARS program and look forward to seeing their mentor at each meeting! - Ms. Ashley Ferguson

Library at AAEC makes an Impact

We will continue to take donations as they come. If you have any books you'd like to donate please email Amanda Wodke at agwodke@appomattox.k12.va.us. I'll be willing to pick them up from you at your location.

It may be small but it has definitely had an impact. Students at AAEC have found many of the donated books enjoyable and have already been checking out books to read...SERIOUSLY. One student has already lined up the order of books she plans to read. We hope to next year implement a silent reading time into the curriculum and even require book reports. If you have ideas you are willing to throw out to us they would be greatly appreciated.

A **BIG** thank you to those that have donated and helped get this library growing!

Superintendent's Message

Dear Staff,

Spring break is finally here and we all deserve some rest and relaxation. Take time to enjoy the spectacular colors and gorgeous flowers of the season during your break. Everyone has been hard at work teaching and instructing our students as we prepare for the upcoming SOL tests, which will commence in May. The break will be needed before we buckle down for the home stretch of the school year.

Thank you for your support, calls, e-mails, letters, attendance, and voice at School Board and Board of Supervisors meetings during this budget season. The Board of Supervisors will hold a Public Hearing on May 2 at 6:00 p.m. at the CVCC satellite to hear comments about the proposed tax increase of 1.5 cents for the next year. At some point after that, the Board of Supervisors will approve a county budget. We cannot issue contracts for employees for 2011-12 until we have local funding approved and appropriated.

Our School Board will be touring all of the schools prior to our next meeting on Thursday, April 28. You will see us out and about at the schools seeing all of the wonderful learning happening in our division. The Board will also tour the ACHS FFA Land Lab to see the livestock. Our tour will begin at 10:30 a.m. and our School Board meeting begins at 3:30 p.m. As always, you are welcome and encouraged to attend our School Board meetings.

I noticed a great poster at one of our schools this week, which read, "*The expert in anything was once a beginner.*" I believe that each of us is an expert in an area that we embrace and love. Perhaps for you, it is math, history or basketball; for others, it might be gardening, crochet or reading. It is our responsibility to teach our students to desire to be an expert in an area that they love and enjoy. Our students and our children learn from us at school and in our daily lives as we work and go about our routines of life.

Thank you for giving our students the gift of wanting to learn more each day – to become lifelong learners. That is how we all move along from "beginners" to becoming "experts" in an area. I find that I am far from an expert in any area and learn at least one new thing per day. I love to read and have so much more to learn in this lifetime.

I wish you a fabulous spring break and a super month of learning in May.

Appomattox County Public Schools will be hosting the Department of Education School Nutrition Program Spring Regional meeting on May 18th for Region Eight School Nutrition Program school districts. Region Eight districts include Amelia, Appomattox, Brunswick, Buckingham, Charlotte, Cumberland, Greensville, Halifax, Lunenburg, Mecklenburg, Nottoway and Prince Edward counties. This meeting will include information on the necessary changes facing the food service department due to the 2010 Reauthorization of the Child Nutrition Act, including the potential for mandatory meal price increases and levels of training required for school food service personnel. The reauthorization brought change to all aspects of school foods service in order to better serve our students. Better nutrition helps promote better learning!

ACHS Sports

Ron Carter, Athletic Director

The spring sports season is moving rapidly with most non-district contests being completed. District competition began last week and our teams are setting their sights on a Dogwood District championship. Regular season games will conclude the third week in May with region tournament play beginning the following week. Come support our ACHS athletes!

ACHS School News

Dolly Cooter, Guidance

Appomattox County High School is proud to announce we have been approved as an official National Testing Site for the CollegeBoard SAT. Our first test administration will be held on Saturday, May 7, 2011. The deadline for registration was April 8, 2011. The late registration window for the May testing is April 9-22, 2011. Also, if any ACHS student is registered in May at another site and wants to be moved to ACHS, please notify Mrs. Cooter @ 352-7146 or dwcooter@appomattox.k12.va.us

The high school will host a second SAT administration on Saturday, November 12, 2011. Students should register online at www.collegeboard.com or see their school counselor for a paper application. Appomattox County High School's **test center code** number is 47131. The **high school code** for Appomattox students is 47008. Fee waivers are available for qualified students. Students should check with CollegeBoard for registration deadlines and fees.

ACHS - Easter Baskets

Renee Wingfield, Teacher

The Nutrition & Wellness Class took what they have learned about nutrition and recycling to create Easter baskets for several APS students. The baskets were handmade out of recycled materials and filled with healthy snacks. They worked in small groups to accomplish the tasks after planning what should be included in the baskets. The old crayons recycled into spring shapes were adorable.

24 + 0 = 24 Tournament at AES!

The Magical number at AES during the month of March was 24! Students looked at numbers on a card and tried to be the first to judge correctly the combination of numbers that totals 24…now that requires higher level thinking—and many minutes of practice! Congratulations to the following 4th and 5th graders who represented their classes in the tournament:

Trey Smith, Raekwon Curry, Jaden Fitch, Hunter Franklin, Jacob Johnson, Taylar Hunt, Abby Ranson, Chris Caudill, Jackson Cheatham, Chris Richardson, Colby Mullins, Josey Walton, Braden Drinkard, Summer Natour, Ian Watson, Serenity Tucker, Kourtney Moseley, Cody Mewborn, Rakeem Wright, Samir Williams, Noah Buckbee, Maddy Anderson, Christian Hoff, Cameron Duncan, Arianna Davin, Ryan Sayre, Ryan Jackson, Bryan Tappen, Timotheus Slaughter, Mackenzie Bennett, Hayley Kidd, William Huffman, D.J. We look forward to our tournament next year as we improve through consistent practice for this magical math tournament at AES!

Gang Awareness Training

On Tuesday, April 12, 2011 ACHS hosted a division wide gang awareness presentation that took place in the auditorium.

The presentation was conducted by the Lynchburg City Police Department's "Gang Unit". Detective Kevin Poindexter was the lead presenter and provided detailed information on criminal street gangs based in the city of Lynchburg and surrounding counties. This presentation provided information on the number of identified street gangs in the city of Lynchburg and insight as to how they operate. The topics ranged from how the gang is structured, what it takes to become a member, how members communicate with each other and rival gangs, signs and symbols associated with gang affiliation, the types of criminal acts being committed by these gang members and how it relates to the school setting.

Update on Summer School 2011: Applicants for summer school teachers, teacher assistants, substitutes, and coordinators were requested earlier this spring and many applications were received. **There is still a need for a high school science teacher and a middle school math teacher.** If you are interested in one of these positions and did not apply earlier, please let me know as soon as possible. Applications will be taken until these two positions are filled. Dates will be 7/11-7/29 with hours being 8:00 am-12:00 pm daily. This year AMS and ACHS students will be housed at AMS, with APS and AES students at AES. For those who have applied for positions, prospective staff names will be presented to the School Board at the 4/14 meeting and notification of approval will be sent out as soon as possible after that date. Again, there is still an opportunity available for a science teacher and math teacher, so let me know if you are interested. There are also positions available for substitutes. If you are interested in being added to the substitute list, please let me know. Have a wonderful, relaxing Spring Break!

Congratulations!!

Moving From the 3 R's to the 4 C's
A Journey into a 21st Century Classroom

Most veteran teachers remember the day when the focus of education was facetiously referred to as the 3 Rs; "**Reading**, **Riting** and **Rithmatic"**. As our world continues to change so drastically, especially in the areas affected by technology, so has our challenge to re-focus in the American classroom. The 3 r's have changed into the 4 c's; Collaboration, Communication, Creativity and Critical thinking.

Our division is responding to that challenge through the **A. 21 Project**. The goals of the A.21 Project are:

1) To change classroom experiences for students through inquiry based learning experiences.

2) To empower teachers to create lessons that are focused on state standards and grounded by the 21st Century Learning Skills of collaboration, communication, creativity and critical thinking.

The teachers involved in the A. 21 Project are beginning to plan lessons they will use in their classrooms this spring. Thank you to the following teachers for volunteering to begin this critical work in our division:
Allison Maxwell, Amanda Wodke, Mary Marshall, Bonnie Swanson, Renee Wingfield, Ceil Fahrman, Stacy White, Crystal Wilhoit, Thomas Allen, Cindy Martin, Vickie Davis, Felicia Pickrel, Jackie Johnson, Jill McDonough, Dana Hamlett, Janet Barricks, and Lindsey Mihalik

AES Extracurricular Clubs' Family Showcase Night a Success!

On Monday, March 28, over 250 parents and students filled the AES Gymnasium to participate in the After-School Family Showcase Night. This was the culminating event for after school extracurricular clubs sponsored by the AES Student Council Association (SCA), which is led by Mr. Jason Wells and Mrs. Katie McCann.

The after-school clubs began Monday, January 24. Each club met for a total of eight Mondays from 3:30-4:30. Students involved were in one class for 8 weeks. Students were able to explore areas that included creative writing, k'nex, scrapbooking, construction, crafts, rockets, 4-H, art in math, science fair, sports and cross-stitching. This spring was the first time that this type of after school club meeting has taken place at AES.

During the family showcase night on March 28, students talked about their learning experiences while participating in the clubs. A slideshow movie was also presented to highlight each club and the students involved. Special recognition was given to all the club leaders for donating their time and talents with the AES students.

On behalf of the AES SCA, we would like to thank the following club leaders and volunteers: Katie McCann- Creative Writing, Jason Wells- K'Nex, Debbie Hix- Scrapbooking, Fred Krushwitz- Construction for Boys, Margaret Krushwitz- Girl's Crafts, Bruce Jones- Rocket Engineering, Bonnie Tillotson- Fun in 4-H, Karen Cyrus- Art in Math, Melanie Ranson- Science Fair, Katie Driskill- All-Star Sports, and Debbie Carson- Cross Stitching. A special thanks to ALL the AES teachers who volunteered to help out a club leader. Without your support and willingness to donate your time, our SCA after-school clubs would not have been such a SUCCESS!

If you would like to volunteer or lead a club during the next club rotation, please contact Katie McCann at kdmccann@appomattox.k12.va.us or Jason Wells at jlwells@appomattox.k12.va.us. We'd love to have you join this great student enrichment opportunity!

ACHS - FFA Shows Well With Swine

In early March, FFA members Tyler Archer, Michael Williamson, and Tyler Wallen traveled to the Virginia Tech Campus in Blacksburg, VA to participate in the Virginia Tech Youth Swine Education Day. While at the conference, FFA members heard from University professors, experienced farm managers, and a nationally acclaimed livestock show judge. Students also participated in a Stockmen's Judging contest. Participants were asked to evaluate live market hogs and identify retail pork meat products, swine breeds, common industry feeds, livestock handling equipment, and tools.

The event was capped off with a training session in pork quality. Archer, Williamson, and Wallen left being fully certified in the National Pork Quality Assurance Plus Program. The students learned a tremendous amount about the swine industry, enjoyed the event and hope to return next year.

FFA Members **Tyler Archer**, **Tyler Wallen**, and **Michael Williamson** visit the Virginia Tech Swine Center while they attend the Virginia Tech Youth Swine Education Day in Blacksburg.

AMS - 7th Grade Field Trip

On Monday, April 11, the 7th grade students from Appomattox Middle School visited the National D-Day Memorial in Bedford, Virginia. Students were separated into groups, taken on a tour of the memorial, and educated about D-Day. This was a great opportunity for the students to begin reviewing for the upcoming Standards of Learning test by revisiting the information from World War II. The students participated by asking thoughtful questions and recalling information they had learned in class. After the tour of the memorial, students and teachers enjoyed a long lunch break at Liberty Lake Park. Thank you to everyone who made this trip possible. We had a wonderful time.

Technology

Brette Arbogast, Director of Technology and CTE

County Internet

We have negotiated an increase in bandwidth on our internet access. Starting in July, we will increase our internet from 20mb to 50mb while reducing our monthly costs. This increase in bandwidth, will allow staff and students more bandwidth, which will allow us to open up the internet filtering for things such as streaming media, etc.

E-mail Usage

The technology department would like to remind everyone that the e-mail usage is strictly for school related activities. Many people still have messages at the end of their e-mail that may be related to religious or political views, which are unauthorized and must be removed. We all must be aware that all e-mail is the property of Appomattox County Public Schools. We must be sensitive that certain footers may offend others that may not have our religious or political views.

School Dude Ticket System

We would like to thank all of you for using the work order ticket system. I have instructed the technology department to only complete work orders that are submitted through the ticket system. E-mails and phone calls do not allow our staff to follow up and evaluate potential problem areas; the only exceptions will be Benchmark and SOL related problems. If your computer does not work, please have a co-worker submit a work order for you. We thank you for using this system.

Business and Operations

Steve Edwards, Director

As everyone is aware, the Appomattox County Board of Supervisors has been meeting to discuss the county budgets for FY-12, including the schools. It has become apparent that the school's request of $5,005,272.75 will not be fully funded. More likely, we will receive the $4,106,731 that represents a full match required to offer the matching incentive programs lost in this year's budget.

My work over the last several weeks has been to find ways to offset the nearly $900,000 shortfall the anticipated local funding means for us. Our primary goal is to offer the absolute best education to the students we serve, while protecting as best we can our employees financially.

There are still many unknowns, including health insurance cost increases. The School Board's desire has been to keep our employees "whole" when it comes to health insurance premiums and our budget does include an anticipated 15% increase in health care premiums. We, along with County Administrator Aileen Ferguson, have been meeting with our insurance advisors as recently as April 11th, to find ways to keep any increases under control. At this point, we anticipate bidding out our health insurance to find out what other options might be available to us. I will keep you posted as I learn more.

As always, I encourage you to contact me should you have any budget or other business related questions. I will do my best to get you an explanation. I also encourage you to continue to be involved in the process. You and the parents of our students are our best advocates!

Transportation

Matt Lair, Supervisor

People often ask about the mileage and age of our buses, as well as what kind of fuel mileage the buses get.

We capture the mileage on July 1 of every year and then capture it again on June 30th of the following year. 135,000 miles is the benchmark where most transportation groups start looking at the bus and take it off of the road as a regular daily bus. As of July 1, 2010 I had six buses that were well above the 135,000 mile mark with the highest mileage being 179,459. For the 2009-2010 school year our buses averaged 11,345 miles. If you subtract this figure from 135,000 miles, you will get 123,655 miles. Based on the average mileage figure, we have six more buses that will go over the 135,000 mile mark by the end of the school year. Based on this information, we currently have 12 buses that are over the 135,000 miles.

The oldest bus that we use on the road daily is a 1995 model. We have a 1994 that is a sub bus. 2011 minus 1994 equals 17 years old. How many people keep a personal vehicle for 17 years with 179,459 miles?

For the 2009-2010 school year our fleet of buses averaged 8.89 mpg. Most of these older buses averaged below 7.5 mpg, with the lowest averaging 6.48 mpg. Newer buses get better fuel mileage. Some of the newer buses are getting between 9.5 to 10.50 mpg.

3rd Grade News:

We are at the end of the 2010-11 school year… and a busy year it has been for our 3rd graders! These young scholars have taken an important step in their education this year in so many ways through so many avenues! Whether it was class work, experiments, homework, AR reading , competitions, awards, plays and productions, class meetings, recess, assemblies, fund raisers, morning announcements, projects, computer lab sessions, birthday recognitions, after-school clubs, benchmark testing , PTO… Our children have been LEARNING! The 3rd grade staff wishes you and your child a safe and happy summer; and one in which "the learning" continues! Three cheers for the Third Grade at AES!

4th Grade News:

As many of you already know, the SOL tests are drawing near. Fourth graders are busy reviewing skills and test taking strategies in preparation for these tests. All of the SOL tests will be taken online this year, and students have been practicing testing procedures on computers throughout the year. Parents, you can assist us by making sure that your child is at school on time each day, is well rested, and has all of the necessary materials needed for the remainder of the school year. By maintaining a positive attitude, striving for success, and focusing the students will be able to successfully conquer these SOL tests.

5th Grade News:

Ahoy, Mateys! Our fifth grade year is coming to an end. Now we are going to have some wonderful adventures at Virginia Beach. We are also traveling to Claytor Nature Center. We are visiting these wonderful places to learn and have fun.
Now in Mrs. Hogansizzles class we just finished *Everything on a Waffle.* In Mrs. Jamersonizzles science class we are learning about the phases of the moon. In Mrs. Hixizzles, we are working on both the class and individual treasure books. Last, but not least, in Mr. Wellsizzles room we are learning about area and perimeter. So STUDY! STUDY! STUDY! For the SOL test in May.

Magical Art Strokes:

Haley Miller, a fifth grade student, has had her watercolor painting chosen for the Virginia School Board Association. Haley will be recognized with a certificate of achievement for her art work at the Appomattox County School Board Interim Meeting on Thursday, April 14. Haley is the daughter of Cynthia and Travis Miller of Appomattox.

The winners of Appomattox Elementary School's Virginia Association for Pupil Transportation Poster Contest for 2011 – I See the Driver-The Driver Sees Me are:

Grade 3: 1st Place-Shaunquitta Wright, 2nd Place-Anne Armstrong, 3rd Place-Cassidy Farmer
Grade 4: 1st Place-Abby Ranson, 2nd Place-Ilyana Servis, 3rd Place-Bryant Tolley
Grade 5: 1st Place-Skylar Wilhoit, 2nd Place- Ashton Ferguson, 3rd Place-Hailey Cheatham

The overall winner chosen to represent AES in Division #2 (Grades 3-5) for the Transportation Poster Contest is Shaunquitta Wright in Mrs. Major's Third Grade class.

To review economic concepts that they learned this year in their social studies classes, AES Third Graders made posters for the Color the Economic Concepts Contest in Art Class. Each student chose an economic SOL appropriate for their grade level to draw and color for their contest entry. The following AES Third Graders have had their posters chosen to be sent to the Center for Economic Education at Lynchburg College: Annabelle Paulette, Na'Dyah Wynn, Samayra Breedlove, Janell Jennings, and Cassidy Farmer. Twelve state

winners will each receive a $50.00 U.S. Savings Bond. Winning entries will be featured on posters distributed to schools across the Commonwealth.

All entries become the property of the Virginia Council on Economic Education and may be used with names of entrants for publicity purposes.

MUSIC NOTES:

SOL testing is right around the corner. In preparation for the SOL tests, students will be participating in an SOL Music Marathon before the week of testing. Students will learn songs and dances that correlate to what students have been learning in Science, Math, Language Arts, and Social Studies this past year. This will be a good study strategy as Music is proven to improve memorization and automaticity.
You can find a copy of the SOL song packets on Mrs. Bromley's website listed below:
http://teacherweb.com/VA/AppomattoxElementarySchool/GeneralMusic/h0.aspx

Math News:

Pictured are winners of a recent 3rd grade math

competition at Appomattox Elementary School. Students were involved in a computer based challenge to complete the most computation problems with the highest percent of accuracy in their homeroom classes. Front row (left to right): Olivia Reid, Sarah Wirth, D'Asia Ferguson, and Chloe Martin. Back row (left to right): Justice Wright, Hayden Drinkard, Parth Patel, and Cristian Ferguson.

Fourth and Fifth grade students at Appomattox Elementary School were involved in the 24 Game Math Tournament during March. Three students from each class were selected to participate based on performance in their classroom tournaments. After participating in the school tournament rounds 1 & 2, the list was narrowed to 12 semi-finalists. From there, three finalists competed for the championship.

The finalists from fourth grade were: Abby

Ranson, Braden Drinkard and Ian Watson. After the final round, Braden Drinkard was declared our 4th Grade 2011 Tournament Champion.

The finalists from fifth grade were: Daniel Poole,

Samantha Shirey, and Skylar Wilhoit. After the final round, Skylar Wilhoit was named our 5th Grade 2011 Tournament Champion.

SUMMER READING:

Summertime is just around the corner! We know you do your best to protect your child during summertime play and sports, and here is our suggestion to help protect your child's reading level from the "summertime drop". It has been proven through research that when children do not read over the summer months, their reading level may decrease. To prevent summertime drop, we are providing an incentive to help you motivate your child to read this summer. The last week of school, your child will bring home instructions on how to participate in our summer reading program. There will be prizes for participation in the fall. Please make sure that you watch for these instructions the last week of school.

Enjoy that summertime reading!!

Memorial Day: A Solemn Occasion

Memorial Day began in the 19th century as "Decoration Day." Citizens were urged to decorate the graves of soldiers who'd died in the Civil War. After World War I, Decoration Day expanded to include ceremonies honoring the dead in all of America's wars.

Decoration Day became Memorial Day officially in 1967. In 1968 the Uniform Holidays Act established it as one of three holidays (including Veterans Day and George Washington's birthday, now called Presidents' Day) celebrated on a Monday to create a convenient three-day weekend. Memorial Day is now observed on the last Monday in May.

One tradition of Memorial Day is the wearing of poppies. The custom is generally credited to Moina Michael, a former teacher at the University of Georgia, who was working for the YMCA Overseas War Secretaries at the end of World War I.

She was inspired by reading the poem "In Flanders Fields," by Canadian poet and Doctor John McCrae. The poem's opening lines read:

> "In Flanders Fields, the poppies blow
> Between the crosses, row on row . . ."

During the Overseas War Secretaries' annual conference held in New York City in 1918, shortly before the signing of the armistice ending the war, grateful delegates gave Michael $10 in recognition of her help with the conference. She spent the money on 25 red silk poppies to hand out to participants (or she may have used the money on materials to make the poppies herself.)

The poppy became a national symbol of remembrance, and two years later the American Legion adopted it at its own conference. Poppies have symbolized the day ever since.

Field Day 2011

AES Parents:

On Friday, May 27, 2011 AES is scheduled to have our annual Field Day festivities. We are very excited and know that the students, teachers, staff, and parents will have a great time. In order to help make this year's Field Day a success, we need your help. If you would be willing to volunteer for any portion of the day, please fill out the attached slip and send it back to your child's homeroom teacher by Friday, May 13th. After a list is compiled, a letter will be sent home by your child detailing the day's events, schedule, and individual assignments. The majority of volunteer help will be needed during the morning game stations. I will do my best to split up the morning schedule, so volunteers will have some time to walk around and visit with his/her child as well. I appreciate your willingness to help!

We hope that you will consider being a part of this fun-filled day with your child. Please complete all sections of the form below before returning it to your child's teacher. Without you this day would not be a possibility, so I would like to thank you in advance and I look forward to seeing you on May 27th!

"Riding the Wave to Success at APS"

May/June 2011

Principal's/AssistantPrincipal's Message…

We have ridden the wave to success this year, and it is hard to believe it is almost over. There is no way we could have had the successes we've had without the work of every staff member and the support our wonderful parents have shown. It has been a very exciting year as we've learned about the renovation that will be taking place over the next year. Our students deserve a wonderfully refurbished facility in which to learn and grow.

Many of us will be here at APS making preparations for another wonderful school year, but we too will take the time to reenergize and plan for the return of our students.

Have a great summer!

As always, if we may be of assistance to you, please contact us:

Employee of the Month:

Congratulations to Rhoda Allen. She is a teacher assistant at APS. Thank you Mrs. Allen for all you do for the students of APS.

Field Day 2011:

Field Day 2011 has been scheduled for May 20. This is an all day fun event for our students and we would appreciate your support. Mrs. Dickerson has sent out a letter requesting help with the Relay Races and we hope you are planning to come out and help. Won't you please plan to join us at APS on Friday, May 20, 2011 for another fun Field Day?

May PTO Meeting:

It is definitely Spring! Flowers, trees, baby animals, warmer weather, and the inevitable bugs are here! Kindergarten music classes have been going a little bit "buggy" lately preparing a program for you to enjoy at our May PTO meeting. Our program, entitled "They're Just Bugs," is the work of Nicholas Kohne, an Indiana music teacher. Students are having great fun singing some familiar and some new "bug" songs. We hope to see you at our next and final PTO meeting on May 16th. Those students participating in the program should meet in the all-purpose room at 6:30 p.m. Everyday school dress and tennis shoes are appropriate for your performer. Come and be entertained! See you there!

2011-2012 Placement:

As one year ends, planning for a new year has already begun. Preliminary class placement decisions will be made soon. If you have information about your child that you feel we need to consider as decisions are made, please contact Mrs. Mullins by May 27.

Summer Office Hours:

We encourage all parents who need to submit 2011-12 kindergarten physicals and other documentation, to do so as soon as possible. If you will be submitting paperwork or need assistance during the summer, we ask that you make note of the following:
Our office is open Monday-Friday from 8-4, but we will be better able to serve you if you call ahead and/or come Tuesday-Thursday from 8-3, due to a reduced number of office staff.

New to the Area:

If you know of someone who moves into Appomattox County and would like to register his/her children at APS, please advise them to visit the primary school during the summer. The August fee collection day is not intended to be a new or transferring student registration day.

Summer School:

If your child was invited to summer school (a letter would have come home), please return permission if you have not already done so. APS students will attend summer school at AES this year, due to the renovation at APS.

Reading Days:

On May 24, 25, and 26, we will be encouraging our students to *Dive into a Good Book!* this summer. Each day our reading teachers and the county librarian will meet with students in order to build motivation to read over the summer. Students will be given books, information about Appomattox County Library's Summer reading program, and a chance to win a $100 gift card when they return to school in August! For more information, look in your child's reading bag on the following dates:
Tuesday, May 24 – Kindergarten Students & Pre-K Class
Wednesday, May 25 – Second Grade Students & Pre-K Class
Thursday, May 26 – First Grade Students & Pre-K Class

Box Tops for Education:

We are truly *riding the wave to success* with Box Tops at APS! Throughout the course of this year, classes have competed for the honor of top class in the school, a pizza party and a cookie party, as well as sweet treats for the top earners in each grade level. At last count, APS has earned..... $2804.80!!! We reached our $2800 goal, and the year isn't over yet!
Thank you so much to the students, parents, grandparents, neighbors and friends who have supported APS through clipping and sending in each 10 cent box top! We continue to need your support, and I look forward to seeing how far we can go with Box Tops!
Jennifer Royal
APS Box Tops for Education Coordinator

Main Street Barbershop and APS:

During the months of February, March, April, and May, please note...
Any student of Appomattox Primary School, parent of that child, and/or faculty/staff member of APS who gets a haircut at Main Street Barbershop will have $1 of the cost of the haircut donated to APS. The barber must be informed prior to the service. There is also an opportunity to participate in a drawing being held by the barbershop.
Any questions should be directed to Main Street Barbershop at 434-546-3093.
Address: 195 Main Street

Kindergarten Orientation:

Our yearly kindergarten orientation meeting is coming up, Tuesday, May 10th @ 7:00. If you have a 2011-12 kindergartener, we welcome you to come in and listen to our newest information. Please let any first time kindergarten parents in the district know about this meeting.

Reminders and Helpful Tips:

- **If you transport your child from school on more than one afternoon per week, please write a note to have your child dismissed with Walker's bell and sign him/her out in the cafeteria. Dismissal time can be very hectic, and it will help us out a great deal to have those students signed out in the cafeteria instead of being called from the office.**
- **We are unable to take bus/transportation changes over the phone. We are unable to "hold" students until you arrive.**
- **Car riders must be picked up by 3:10.**
- **When writing a bus note, please include the child's first/last name, old bus, new bus, 911 address of destination, name of person at address, and a phone number where that person can be reached if necessary.**

Flat Stanley:

Mrs. Wells' and Mrs. McConville's kindergarten classes have read the book, Flat Stanley, and were visited by parent, Bobby Swanberg, who read to the classes and created a giant Flat Stanley for the kids to take on an adventure around APS. Pictured are the students of both classes with their Flat Stanleys, as well as the giant Flat Stanley that came to visit the classes. Students took their Stanleys home during spring break so that they could take Stanley on some adventures. Their Stanleys visited grandmas' houses, went on Easter egg hunts, saw the beach, went to the park and to the movies. Many more Flat Stanleys have been sent to different states, and the students are anxiously awaiting their return. This project has taught the students about not only the book, but about different places throughout the state and the country. It has been an activity that they have all enjoyed!

Minutes of
Appomattox County School Board
Special Meeting

The Appomattox County School Board met in special closed session on Monday, April 11, 2011 at 8:00 a.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to receive legal advice pertaining to a pending EEOC matter. Present were School Board Members: Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty. Also present were Mr. Bruce R. McMillan, Director of Human Resources and Staff Development, and School Board Attorneys Mr. Frank Wright and Mr. Brandon Osterbind.

CALL TO ORDER

Mr. Waddell, Vice-Chairman, called the meeting to order because the Chairman was detained in traffic.

CLOSED SESSION

Adjourn to Closed Session

Rev. Williams moved the Board convene in closed session pursuant to Section 2.2-3711(A)7 of the Code of Virginia, 1950, as amended, for the purpose of consultation with legal counsel retained by the School Board regarding specific legal matters requiring the provision of legal advice by such counsel, specifically being the EEOC matter filed on behalf of Individual A. Mrs. Martin seconded the motion made by Rev. Williams. By unanimous voice vote, the motion was approved.

Closed Session

Mrs. Garrett, Chairman, arrived shortly after closed session was convened and presided for the remainder of the meeting.

After completing the business related to the closed session matter, the Board voted to adjourn to public session.

Adjourn to Public Session

It was moved by Mr. Waddell and seconded by Mr. Smith to adjourn to public session. A unanimous voice vote of approval was recorded.

PUBLIC SESSION

Certification of Closed Session

The Chairman asked for a motion certifying to the best of each member's knowledge, during closed session (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act, and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered in the meeting by the public body. Mr. Waddell made this motion which was seconded by Mrs. Martin, unanimously approved by Board Members, and recorded by roll call vote. (See Attachment # 1)

ACTION

No action was taken at this meeting.

NEXT MEETING

The next meeting of the Appomattox County School Board will be held Thursday, April 14, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia. This will be an interim meeting.

Interim Meeting

The Appomattox County School Board met on Thursday, April 14, 2011 at 5:30 p.m. in the School Administration Building at 316 Court Street in Appomattox, Virginia to conduct an Interim Meeting. Present were Board Members Mrs. Stacy C. Garrett, Mrs. Amy M. Martin, Mr. Gregory A. Smith, Mr. Bobby K. Waddell, Rev. J. Wesley Williams, and Division Superintendent Dr. Dorinda G. Grasty.

CALL TO ORDER

Mrs. Garrett, Chairman, called the meeting to order and welcomed those in attendance.

CONSIDERATION OF AGENDA

It was moved by Mrs. Martin and seconded by Mr. Waddell to approve the agenda as presented. By unanimous voice vote, the motion was approved.

SUPERINTENDENT'S REPORT

Recommendations from ACPS Remedial and Special Education Advisory Committee

Mrs. Elizabeth Haught, Supervisor of Remedial and Special Education, reviewed the recommendations from the Appomattox County Public Schools Remedial and Special Education Advisory Committee. (See Attachment # 1)

Workday Schedule Change Request

Dr. Grasty noted the Teacher Advisory Committee has made several requests during the school year that the Board consider changing the teacher workday hours from 8:00 a.m. – 3:30 p.m. to 9:00 a.m. – 3:00 p.m. Following a lengthy discussion and interest from Board Members to reduce the length of the hours required on teacher workdays, several time suggestions were discussed. Dr. Grasty noted she would gather additional information to bring to the Board at the April 28, 2011 Meeting for further consideration.

Reconsideration of Out-of-County Tuition Rates

The superintendent reiterated at the March 24, 2011 School Board Meeting, the Board unanimously voted to change the out-of-county tuition rate for

the 2011-2012 school year to $750.00. The exception would be currently approved out-of-county tuition students who will be juniors or seniors in 2011-2012. These students would continue to pay $500.00. Since that meeting, a request has been received from the Appomattox County Board of Supervisors to reconsider the 2011-2012 out-of-county tuition rates. They have suggested increasing the out of division tuition for incoming new students to $1,800.00 which would cover the locality costs based on receiving $4.1 million in local funding for the 2011-2012 school year. Dr. Grasty noted we do receive state funding for out-of-county students as they are included in our Average Daily Membership (ADM).

Mr. Stephen Edwards, Director of Business and Operations, noted the Supervisors are looking at out-of-county students as an additional expense and not considering the additional revenue they bring to the school division.

Mrs. Martin pointed out increasing the fee to $1,800.00 per student will create a decrease in the number of out-of-county students in our school system and make private schools more appealing to these parents. Mr. Edwards stated the loss of the 49 current out-of-county tuition paying students would create a reduction of $350,000.00 in state funds.

Mrs. Garrett explained the proposed $1,800.00 would only apply to new out-of-county tuition students with currently approved out of division students paying $750.00 except for next year's juniors and seniors.

Rev. Williams suggested the School Board postpone any further changes to the out-of-county tuition rate until the Board of Supervisors provides a final funding amount for the 2011-2012 School Budget. Mrs. Garrett was in favor of this suggestion.

Mr. Waddell stated he was not in favor of raising the amount to $1,800.00. He also noted we do not ask the county to provide additional local dollars to the school division when the March 31st ADM is higher than the budgeted ADM. He also noted we do not charge a fee of any amount to county employees if they live outside Appomattox County and wish to enroll their children in our school division.

It was the consensus of the Board to postpone a decision regarding the request for an additional increase to out-of-county tuition rates for 2011-2012 until a later date.

Budget Update

Dr. Grasty indicated Federal Stimulus Funds will end on September 30, 2011 and recommended the elimination of three Remedial Programs at the primary and elementary schools which began two years ago by using Federal

Stimulus dollars. The three programs are Remedial Math at Appomattox Elementary School which impacts one full-time teacher, Remedial Math at Appomattox Primary School which impacts one full-time teacher, and Remedial Reading at the primary and elementary schools which impacts one full-time teacher who travels between the two schools. The three teachers effected were informed at the time they were hired that their programs would be funded by Federal Stimulus Money that would end in two years. These employees were again reminded of this stipulation this school year.

Mr. Edwards shared the following information:

1. **Stimulus Funded ADA ACHS Renovations:** Pictures of the current construction project were shared with Board Members. Weekly meetings are held regarding the project which is progressing.

2. Health Insurance: A meeting was held with our insurance broker on April 11, 2011. Our loss ratios are improving and the projected premium increase has decreased from 15% to 13%. The broker has been requested to bid our health insurance program for next year in the hope of receiving better figures. Bids will be requested on a plan comparable to our current plan as well as a variety of other options including office co-pay and increasing deductibles. Our broker noted our current health insurance plan is richer than others in the surrounding area as we are the only division with a $300.00 deductible. Mr. Edwards stated our biggest budget unknown is health insurance costs.

3. **Budget Variables:** A revised 2011-2012 Budget Variables Report was distributed that contained a new "What We Expect Budget" column. (See Attachment # 2) The revision includes receipt of $4,106,731.00 in local funding which will create a gap of $898,996.75 from the original requested local support of $5,005,272.75. This revision includes funds to incorporate programs for At-Risk, K-3 Class Size Reduction, Early Reading Intervention, SOL Readiness, as well as premium increases for the Virginia Retirement System and health insurance plus reinstating middle school sports. It does not include a one step pay adjustment, three new school buses, fuel increases, and new FCC mandated radios. The end results of the budget adjustments listed creates a deficit of $330,541.00. Mr. Edwards shared a number of areas that may assist in reducing the deficit such as reducing the budgeted amount for substitute pay by $20,000.00, filling experienced retiring teacher positions with inexperienced teachers saving $17,000.00 per position, changing our current health insurance plan coverage to reduce benefit costs, and reducing the budgeted amount for architect and engineering services. Mr. Edwards also noted it may be possible to purchase the new FCC mandated radios from the current 2010-2011 School Budget. He stated it will depend upon our total expenditures as we get closer to the end of the current fiscal year.

Dr. Grasty stated upcoming textbook adoptions for Math, Social Studies, and Language Arts will cost approximately $200,000.00 per subject. Mrs. Martin noted several years ago the Governor's School purchased Internet textbook access rather than hard copies. She stated this may be something to consider although students without home Internet access would need to be accommodated.

Mrs. Martin emphasized as we complete the budget process we need to keep our teachers as whole as possible. Mr. Smith was in agreement.

Mrs. Garrett thanked Mr. Edwards for the individual meetings he conducted with the County Administrator and Board of Supervisors Members. She also complimented the staff and students who spoke at the recent Board of Supervisors Meeting requesting support of our school budget.

Rev. Williams stated if the budget cuts continue during the next several years, at some point we will need to make drastic cuts. He noted every year we offer a budget to the Board of Supervisors and they reduce our requested funding. Once they do this, we adjust our school budget by looking at which teaching positions and programs we can cut. The Supervisors think we are not serious because we continue these cuts without severe consequences. Rev. Williams emphasized we need to begin to think about radical possibilities and changes and offered varsity sports as an eye-opening budget cut consideration. Mrs. Garrett was not in agreement that varsity sports should be contemplated.

Mr. Waddell pointed out the Board of Supervisors have cut the school budget for the past ten years and during that time the state was providing more funds.

Following a lengthy discussion regarding the budget, Dr. Grasty noted the Appomattox County Board of Supervisors will conduct a Public Hearing concerning the county budget and proposed tax increase on Monday, May 2, 2011 at 6:00 p.m. at the CVCC Satellite in Appomattox.
